ADVANTAGES

We are the best team

A STRONG SKILL ON DEVELOPING AND PROPOSALS

According to the product characteristics of different customers, we regularly provide different product design schemes, so as to enrich customer's product lines and occupy some place in the fierce market.

EXPERIENCED MERCHANDISER AND QA TEAM

Working by team to service customers, all the merchandisers are within a over 10 years experience. Separated the duty by fabric and accessories arrangement, sample making, bulk following and logistic job. There will be a QA to follow each team to solve the workmanship problem to make sure no barriers between customer and us.

A HIGHER AQL1.0 INSPECTION STANDARDS

As a tough inspection, we ask a AQL2.5 standard for all the bulks to make sure all the garment fully checked one by one by our QC. We force on stopping all the troubles in our garment factory and leave none quality issues to our customers.
