Sherpa fur Jacket:

RECYCLED BOTTLES

100%RECYCLED POLYESTER BONDED FUR

This is a super soft and cosy fur jacket.

Made for a sustainable brand. This jacket is made from recycled polyester which saves plastic bottles from going into landfill or the sea. Plus, less energy is used to create polyester yarn from recycled bottles than is needed to create brand new polyester yarn from oil.

- Corozo buttons on front
- Classic collar
- 2 patch pockets
- Relaxed fit

Yarn Dyed Striper Long Sleeve T-shirts

100% ORGANIC COTTON

This is a super soft and relaxed T-shirt.

Made for a sustainable brand. This T-shirt is made from organic cotton which reduces the overall environmental impact of cotton cultivation as it promotes, soil health, biodiversity and water conservation.

Co-ord set made from natural print technique Ajrakh

AJRAKH PRINT CO-ORD SETS

Ajrakh print showcases our Indian roots and pays homage to our rich textile heritage. This concept uses a traditional method of Ajrakh block printing and resist dyeing to create beautiful print. This collision of traditional craft with an unconventional application on contemporary silhouettes is manufactured for a streetwear brand from India – connected to our roots, relevant in the now, but creating the future.

QUILTED BOMBER NECK JACKET
