# Few words about Index-OI

- ❑ INDEX-OI is a **100% family owned clothing business** funded in 2000, based in Madagascar
- ❑ We manufacture **middle and high range children and adults garments**.
- ❑ We work as subcontractors and direct exporters especially for major European children's clothing brands as well as niche brands.
- ❑ We assemble warp and weft pieces and are able to **add handmade embroidery and smocking** upon request.
- ❑ **INDEX-OI employs 120 skilled workers** and operates with three (4) production lines. Our size gives us the agility and flexibility to meet your needs.
- ❑ We manufacture **high quality products**, are **reliable and respect our employees**, all are assets valued by our customers.

# Mission, Vision, Values

## Mission

- **Index-OI is a socially responsible family business** that dresses young and old every day, at work with practical and comfortable clothes made in Madagascar.

## Vision

- **Become a reference company, recognized for its reliability**, for the creation and manufacture of clothing that resists time.
- **Our ambition is to double our production within 3 years** by setting up a clear organizational structure, strengthening our operations and digitizing our processes as well as our commercial strike force.

## Values

- **Honoring our commitments**
- **Respect our employees**
- **Operate responsibly**
- **Act with integrity**
- **Dare to take up challenges**
