

Life is too short to wear boring jacket...

*i Jkts*

i jkts 3.0

# About i jkts

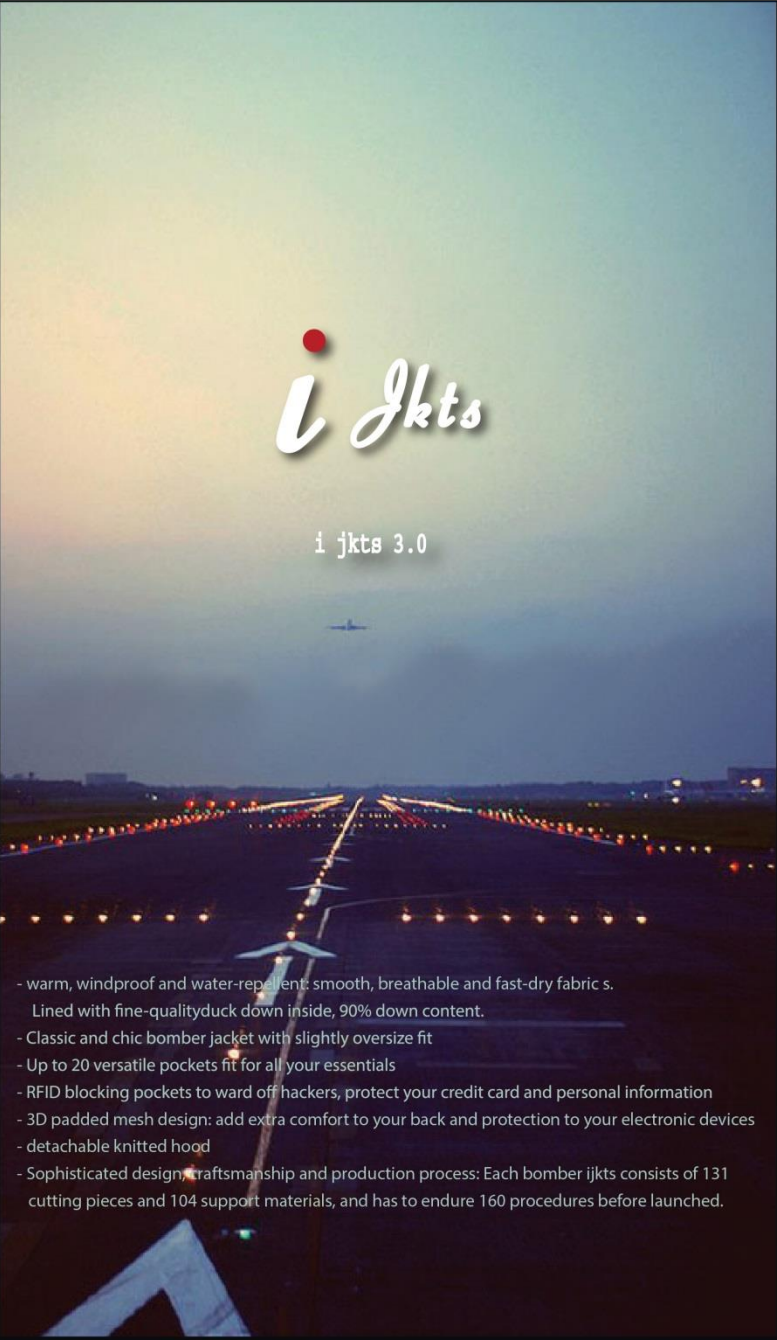

i jkts was born in 2016 in response to the development of modern high-tech and people's travel habits.

i jkts is the abbreviation of i - jackets. " i " stands for "innovation" and "intelligent".

The logo for 'i Jkts' features a stylized lowercase 'i' with a red dot above it, followed by the word 'Jkts' in a white, cursive script font.

i jkts 3.0

- 
- A photograph of an airport runway at night, illuminated by a central line of lights and side lights, receding into the distance under a dark sky. A small airplane is visible in the distance.
- warm, windproof and water-repellent: smooth, breathable and fast-dry fabric s.
  - Lined with fine-quality duck down inside, 90% down content.
  - Classic and chic bomber jacket with slightly oversize fit
  - Up to 20 versatile pockets fit for all your essentials
  - RFID blocking pockets to ward off hackers, protect your credit card and personal information
  - 3D padded mesh design: add extra comfort to your back and protection to your electronic devices
  - detachable knitted hood
  - Sophisticated design, craftsmanship and production process: Each bomber ijkts consists of 131 cutting pieces and 104 support materials, and has to endure 160 procedures before launched.
