Our Services

Garments from design to the finished article

Trust Good Friends Clothing Company to take your designs and make them real. From the yarn factories and dyers, right the way through to the labels and packaging, Good Friends Clothing Company can take care of all your production needs.

Garment reproduction

From next season's must-have fashions to resurrecting bygone classics, Good Friends Clothing Company can provide you with high quality versions of almost any style you need.* Simply provide us with the original garments, or photographs of the garments you need*, and leave the rest to us.

Garment customization

Good Friends Clothing Company has a wide range of pre-existing designs for you to choose from, and then make your own. From sweaters to woven garments, simply visit our website to choose the styles you need, then let us know what changes you want made.

Fabric sourcing:

As well as finished garments, Good Friends Clothing Company can source fabrics of all types and compositions. Using our network of fabric producers we can find printed, dyed as well as greige fabrics, both natural and synthetic.
