

Regale
Knitting Garment Co., Ltd.

A SWEATER FASHION MANUFACTURER
WITH 30 YEARS OF WISDOM

WE FOCUS ON ...

Customers
Quality
Responsibility
Creativity
Sustainability

OUR STORY

Established in 1988, Shanghai Regale is a professional ODM sweater manufacturer and passionate about design & development. Our production facilities located in Shanghai province and Jiangxi province, with creative design team based in HK providing seasonal in-house collection of both premium and fashion line, also one-stop-service from research, design and product development.

With **over 30 years** of knitting knowledge and experience, our never-ending eagerness to acquire and cultivate new knitting technologies has empowered us to confidently provide newness and high-quality to our customers. Our endless enthusiasm to learn, improve and innovate will continuously shape Regale into a more dynamic, sustainable and professional sweater manufacturing company.

OUR FACTORIES

We have three production plants with **over 600 employees** located in Shanghai city, Ganzhou city and Yi Chun city certificate by

The Business Social Compliance Initiative (BSCI)
The Supplier Ethical Data Exchange Database (SEDEX)

We always support environmental protection, animal welfare and sustainability, we applied

Global Recycle Standard (GRS)
Responsible Wool Standard (RWS)

to truly commit to being ethical and socially responsible.

We specialize in fully-fashioned knitting of natural fibers, also can handle mix-media, printed and special dyeing knits.

Shanghai Regale Knitting garment co., Ltd

Focus on the premium and high fashion market production.

It is also a creative center which sample room was set up for all kinds of innovative development.

Gan Zhou Regale Knitting garment co., Ltd

Yi Chun Shuxin Knitting garment co., Ltd

Concentrate on mid-to-low priced market production.

Advanced & computerized facilities were established to fulfill our company's goal by offering flexible delivery and best price to our customer.

OUR FACILITIES

.....

We keep upgrading our production plants with advanced facilities, such as **ERP production management & automatic hanger production system** to increase productivity radically, ensure an optimal working flow, and provide time for adding value to customer's products.

we also implement **3-system flat bed machines** in our production sectors to raise knitwear to a higher level by fancy structure and sophisticated patterns.
