Introduction

Jiangxi Nanmeiyi Apparel Co., Ltd. was established in October 2012. The factory area reaches 10,000 square meters. It is a team with exquisite clothing production and manufacturing technology. From raw materials, production processes to finished garments, we carry out a full range of quality monitoring to provide customers in various industries with high-quality products.

We pay attention to the scientific management of enterprises, successively passed the European Union BSCI international certification on 2019 and renew it on 2023. And also get the French EV international certification, the national technology-based SME certification, ISO GB/T19001-2016 "Quality Management System", GB/T24001-2016 "Environmental Management System", GB/ T45001-2020 "Occupational Health and Safety Management System", etc..

Currently we have total 10 production lines and it is expected to reach 15 production lines by the end of 2023. Meanwhile, we will move to new factory (under construction) which will reach 20,000 square meters.
