# WHO WE ARE (MYS HERITAGE)

The factory, now known as Mohamed Yasser A. Shamsi for Ready-Made Garment Industries, was established in Cairo, Egypt, in 1984 by Abdelmalek Shamsi, a pioneer in textiles and clothing manufacturing.

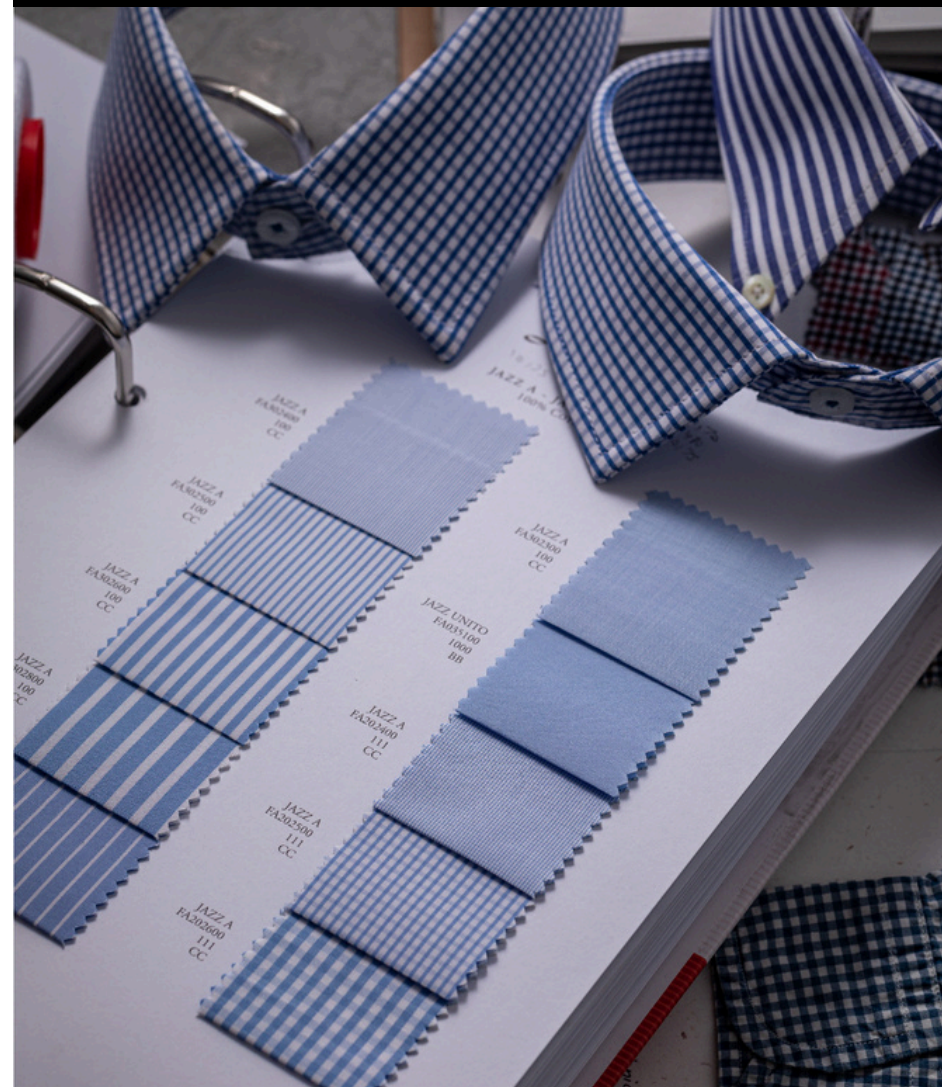

Over the past 38 years, the company has gained unparalleled expertise and is now thriving under its third generation, specializing in shirt-making.

Certified by WRAP, C-TPAT, SEDEX, and ISO 9001, MYS garments are distinguished by their superior quality and unique aesthetic, noted for their pure elegance and sophisticated detailing.

Today, MYS operates five production sections with state-of-the-art European machinery and employs over 400 skilled workers. This infrastructure enables the production of up to 2,000 garments daily, from classic men's shirts to refined women's blouses. The company's dedication to innovation and excellence ensures each piece is a paragon of quality and style.
