

We are a
**synergised
textile-garment
manufacturing
company**

Our Certifications

Company Overview

Goodwill Fabrics Pvt Ltd is a family driven fabric-apparel manufacturing company. We believe in complete customer satisfaction in every aspect right from sourcing quality raw materials to producing premium standard finished goods. In this dynamically changing environment, we work towards adapting to innovative processes to stay updated with the industry trends.

Goodwill has control over the entire value chain in our industry, we can offer substantial cost advantages, *faster lead-times*, ability to execute *smaller order sizes* (per style) and provide higher levels of *flexibility in the production process*, giving the buyer a huge cost saving advantage.

Our Framework

We manufacture **2.5 million meters of fabric** per month and about **300,000** woven and knitted garments per month, with a split of **60% "Bottoms"** and **40% "Tops"**. We are a family of **2000** employees in **6 garments units**, equipped with **1200 machineries**
