Our Story

Welcome to Brij Designs! Since our founding in 2008, we've been on an exciting journey, driven by our 'Design with Sustainability' philosophy. Our mission is to seamlessly blend cutting-edge fashion with sustainable practices, serving prestigious international brands along the way.

Our commitment to sustainability is backed by certifications from GOTS, WRAP, SEDEX, and ICS. With about 95% of our production dedicated to eco-friendly fabrics, we're setting industry standards.

Located in Gurugram, our three manufacturing plants produce **1,40,000 units** monthly, specializing in value-added garments in woven and knitted fabrics. Advanced embroidery and embellishments ensure every piece is a testament to quality and innovation.

At Brij Designs, we are crafting a sustainable future for the fashion industry. Choose us as your apparel manufacturer we continue to innovate and lead in sustainable fashion.

Thank you for being part of our story!

Brij Designs: Your Premier Apparel Manufacturing Partner

Welcome to Brij Designs, where we manufacture exquisite apparel from bridal and luxury party wear to beachwear and casual ladies' garments. Here's why Brij Designs is your ideal manufacturing partner:

Unmatched Craftsmanship

- **Embroidery:** Hand and machine embroidery, including zardozi, chikankari, and kantha.
- **Printing:** Screen, digital, block printing, and sublimation for vibrant patterns.
- **Appliqué & Beadwork:** Fabric pieces combined with embroidery and hand-sewn beadwork for dazzling designs.
- **Lacework:** Incorporating Chantilly and Guipure lace for vintage charm.

Innovative Techniques

- **Textile Manipulation:** Pleating, ruching, and smocking for added texture.
- **Dyeing:** Traditional and modern methods for vibrant, long-lasting colors.
- **Quilting:** Adding warmth and texture to outerwear and casual wear.
- **Broderie Anglaise:** Intricate eyelet patterns for elegant summer dresses.

Why Choose Brij Designs?

- **Quality Assurance:** High standards and meticulous craftsmanship.
- **Diverse Expertise:** Wide range of techniques for various fashion needs.
- **Sustainability:** 95% sustainable materials, recycled fabrics, CO2 monitoring, tree planting, and a 50 kW solar plant.

Partner with Brij Designs for exceptional craftsmanship, innovative techniques, and a commitment to sustainability. Let us bring your fashion vision to life

Brij Designs: Leading in Organic & Sustainable Fabrics

At Brij Designs, 95% of our materials are sustainable, meeting the highest environmental and ethical standards.

Woven Fabrics

- **GOTS-Certified Cotton:** Soft, breathable, and durable.
- **LENZING™ ECOVERO™ & FSC Viscose:** Luxurious drape with low environmental impact.
- **Recycled Polyester & Cotton:** Perfect for durable outerwear.
- **Silk & Blends:** Elegance for eveningwear.
- **Linen & Bamboo:** Natural, breathable, and antibacterial.

Knit Fabrics

- **Organic Cotton:** Soft and comfortable for daily wear.
- **TENCEL™ & Modal:** Breathable with exceptional drape.
- **Bamboo Blends:** Silky and antibacterial for intimate apparel.

Why Choose Us?

- **Eco-Friendly:** 95% sustainable materials.
- **Certified Quality:** GOTS, LENZING™ ECOVERO™, FSC & GRS.
- **Versatile & Innovative:** Luxurious, durable, and stylish fabrics.

Partner with Brij Designs for eco-friendly, high-quality fabrics that bring your fashion vision to life.

Brij Designs: Leading with Advanced Technology & Machinery

At Brij Designs, our operational efficiency and commitment to precision are driven by the most advanced technology and expert craftsmanship.

Integrated Technology

ERP System & Real-Time Quality Monitoring: Optimizing work progress and ensuring the highest quality standards.

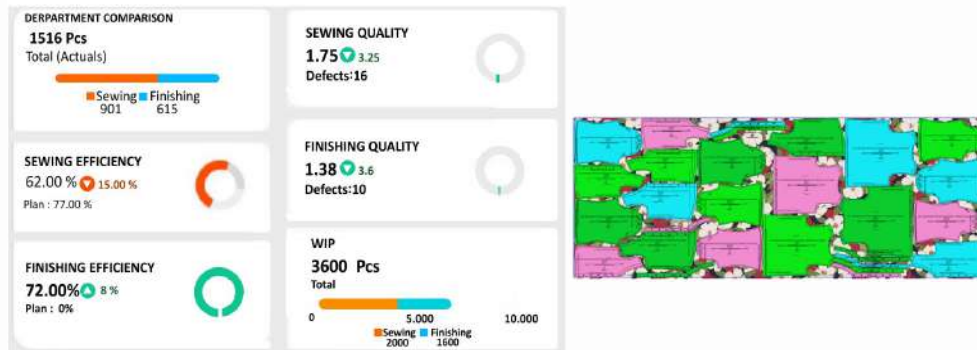

Precision Equipment

Sewing Machines: Equipped with industry-leading brands like Juki, Brother, Pegasus, Siruba, Yamato, and Eastman, ensuring impeccable stitching and durability.

Digital Printing: Utilizing Mimaki digital printing machines (TX2 and JVS models) to produce vibrant, high-quality prints.

Advanced Pattern-Making

TUKA CAD: Precision pattern-making and smart markers to minimize fabric wastage, enhancing efficiency and sustainability.

At Brij Designs, we blend cutting-edge technology with unparalleled craftsmanship to create garments that stand out in quality and style. Partner with us to bring your fashion vision to life with precision and excellence.

Order Without Minimums

Experience ultimate flexibility with our No Minimum Order Quantity policy. Order exactly what you need, when you need it. Enjoy greater control over your inventory, reduce waste, and tailor purchases to fit your business demands without meeting minimum order thresholds.

Top Quality Products

We guarantee top-quality products that meet the highest standards. Our commitment to excellence ensures every item exceeds expectations. Using premium materials, advanced technology, and rigorous quality control, we deliver durable, high-performance products. Trust in our craftsmanship and enjoy superior value and satisfaction with every purchase. Experience unmatched quality with our unwavering dedication.

On Time Delivery

We are committed to punctual deliveries, ensuring your schedules and deadlines are consistently met. With efficient logistics and proactive communication, we guarantee your orders arrive on time. Trust us to support your timelines and enhance your planning accuracy with reliable, stress-free shipments.

Sustainability at Brij Designs

At Brij Designs, sustainability is at the heart of everything we do. We proudly hold “**GOTS, Sedex, and WRAP**”, certifications, ensuring responsible sourcing and ethical practices.

Sustainable Materials: 95% of our materials are sustainable and traceable. We use recycled fabrics to reduce waste and promote a circular economy.

Environmental Responsibility: We monitor CO2 emissions in real-time and take immediate actions to reduce our carbon footprint. Our initiatives include planting over 100 trees and installing a 50 kV solar plant for green energy.

Transparency and Accountability: We maintain high standards of ethical conduct through regular audits and assessments, upholding principles of fairness and integrity.

Our mission focuses on energy efficiency, responsible sourcing and adherence to “**ESG standards**”. We prioritize the well-being of our workers, minimize our environmental impact, and make sustainable decisions for a better future

Our Clients

We take great pride in serving a diverse range of esteemed clients who entrust us with their apparel manufacturing needs. Our dedication to quality, sustainability, and innovation has earned the trust of leading brands across the fashion industry. These partnerships highlight our ability to consistently meet and exceed the highest standards in design, production, and ethical practices. Our valued clients include:
