- Recycled polyester yarn for woven labels

FOR PACKAGING:

- Glassine Paper
- Recycled plastic
- Biodegradable plastic

OTHER MATERIALS:

- Fake leather made with pineapple waste
- Cork

At Etigui, we're not just about providing labels—we're also about providing sustainable, high-quality solutions that cater to your specific needs.

As such, we take great care in making sure that your experience working with us is positive and fulfilling, in addition to our concern for the product and the future.

Furthermore, our commitment to customer

service means that we are always here to help you, even after the labels are delivered. If any problem arises with the product you purchased with us, our team is ready to solve any problem quickly and efficiently, ensuring your full satisfaction. We want the experience of working with Etigui to be memorable and rewarding.

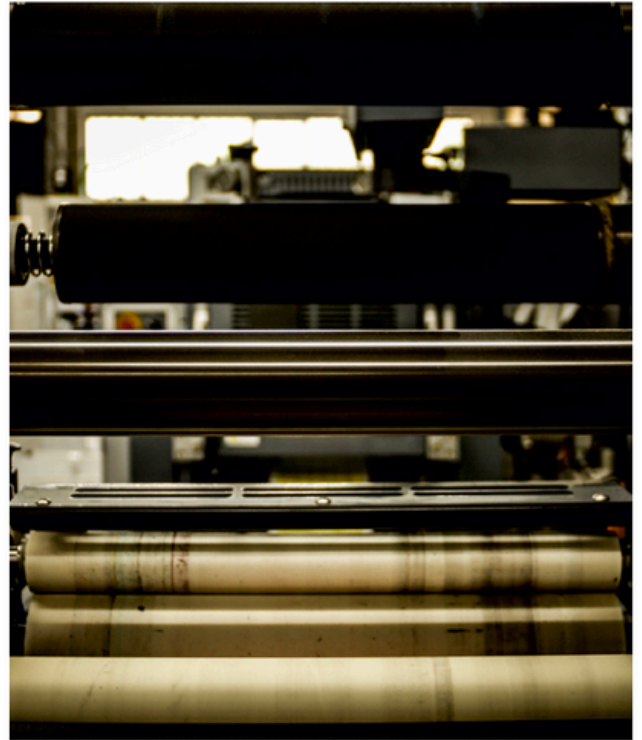

TAILOR-MADE

We take pride in being a truly customer-centered company, where every aspect of what we do is tailored to meet your unique needs.

Our commitment to a tailor-made service is the essence of who we are. From the first contact to the final delivery, we put you at the heart of everything we do.

Our personalized approach means that every label, ribbon or packaging solution we create

is designed specifically for you, taking into account your specific preferences, requirements and goals.

Working in tailor-made mode is not just a strategy for us, it's a philosophy.

We are here to listen, understand and meet your expectations at every stage of the process, regardless of the size of your project or the complexity of your needs.
