

MBG

YOUR GATE TO GARMENT WORLD

PROUDLY MADE IN EGYPT

ABOUT US

For over 40 years, BG Group has led Egypt's apparel and textile printing industry, serving a broad clientele locally and internationally.

Founded as textile printing specialists, we have expanded to offer a full range of services, including advanced printing, embroidery, embellishments, and end-to-end garment manufacturing—from cutting to packing.

Guided by a commitment to quality and innovation, BG Group continues to set the standard for exceptional service and results in every project.

HISTORY

1982

Started as the first screen printers in Egypt

1990

Acquired Mega Mansouria Plant

1995

Introduced garment making

2000

Started Digital Printing

2012

Incorporates as BG Group LLC with introduction of second generation

2011

Started export to Europe through Inditex

2002

Transferred from manual to automatic silk screen printing

YOUR GATE TO GARMENT WORLD

▶ Vision

To emerge as a leading Egyptian company in knitwear manufacturing by spearheading innovation in textile printing, embracing sustainable practices, and expanding our global reach through increased export sales.

▶ Mission

To lead the knitwear manufacturing industry by focusing on three key goals: delivering superior quality tailored to our customers' specifications, ensuring timely delivery, and maximizing cost-efficiency. We are committed to innovating our textile printing processes, adopting sustainable practices, and expanding our international presence through strategic growth in export markets.

VALUES

INTEGRITY

Operating and making decisions in a fair, trustful honest manner

FLEXIBILITY

Adaptation with the work process based on customer requirements

QUALITY

We ensure our quality meets our customers' standards

INNOVATION

Always striving to innovate in the apparel industry

SUSTAINABILITY

Committed to eco-friendly practices and responsible apparel production

GREEN COMMITMENT

Water Conservation

We implement digital technologies that minimize water consumption throughout our production processes.

Waste Management

Through optimized cutting and recycling partnerships, we minimize textile waste and implement closed-loop systems to reuse materials within production.

Energy Efficiency

We continuously have an eye on systems that reduce our carbon footprint and promote sustainable production.

Certifications & Compliance

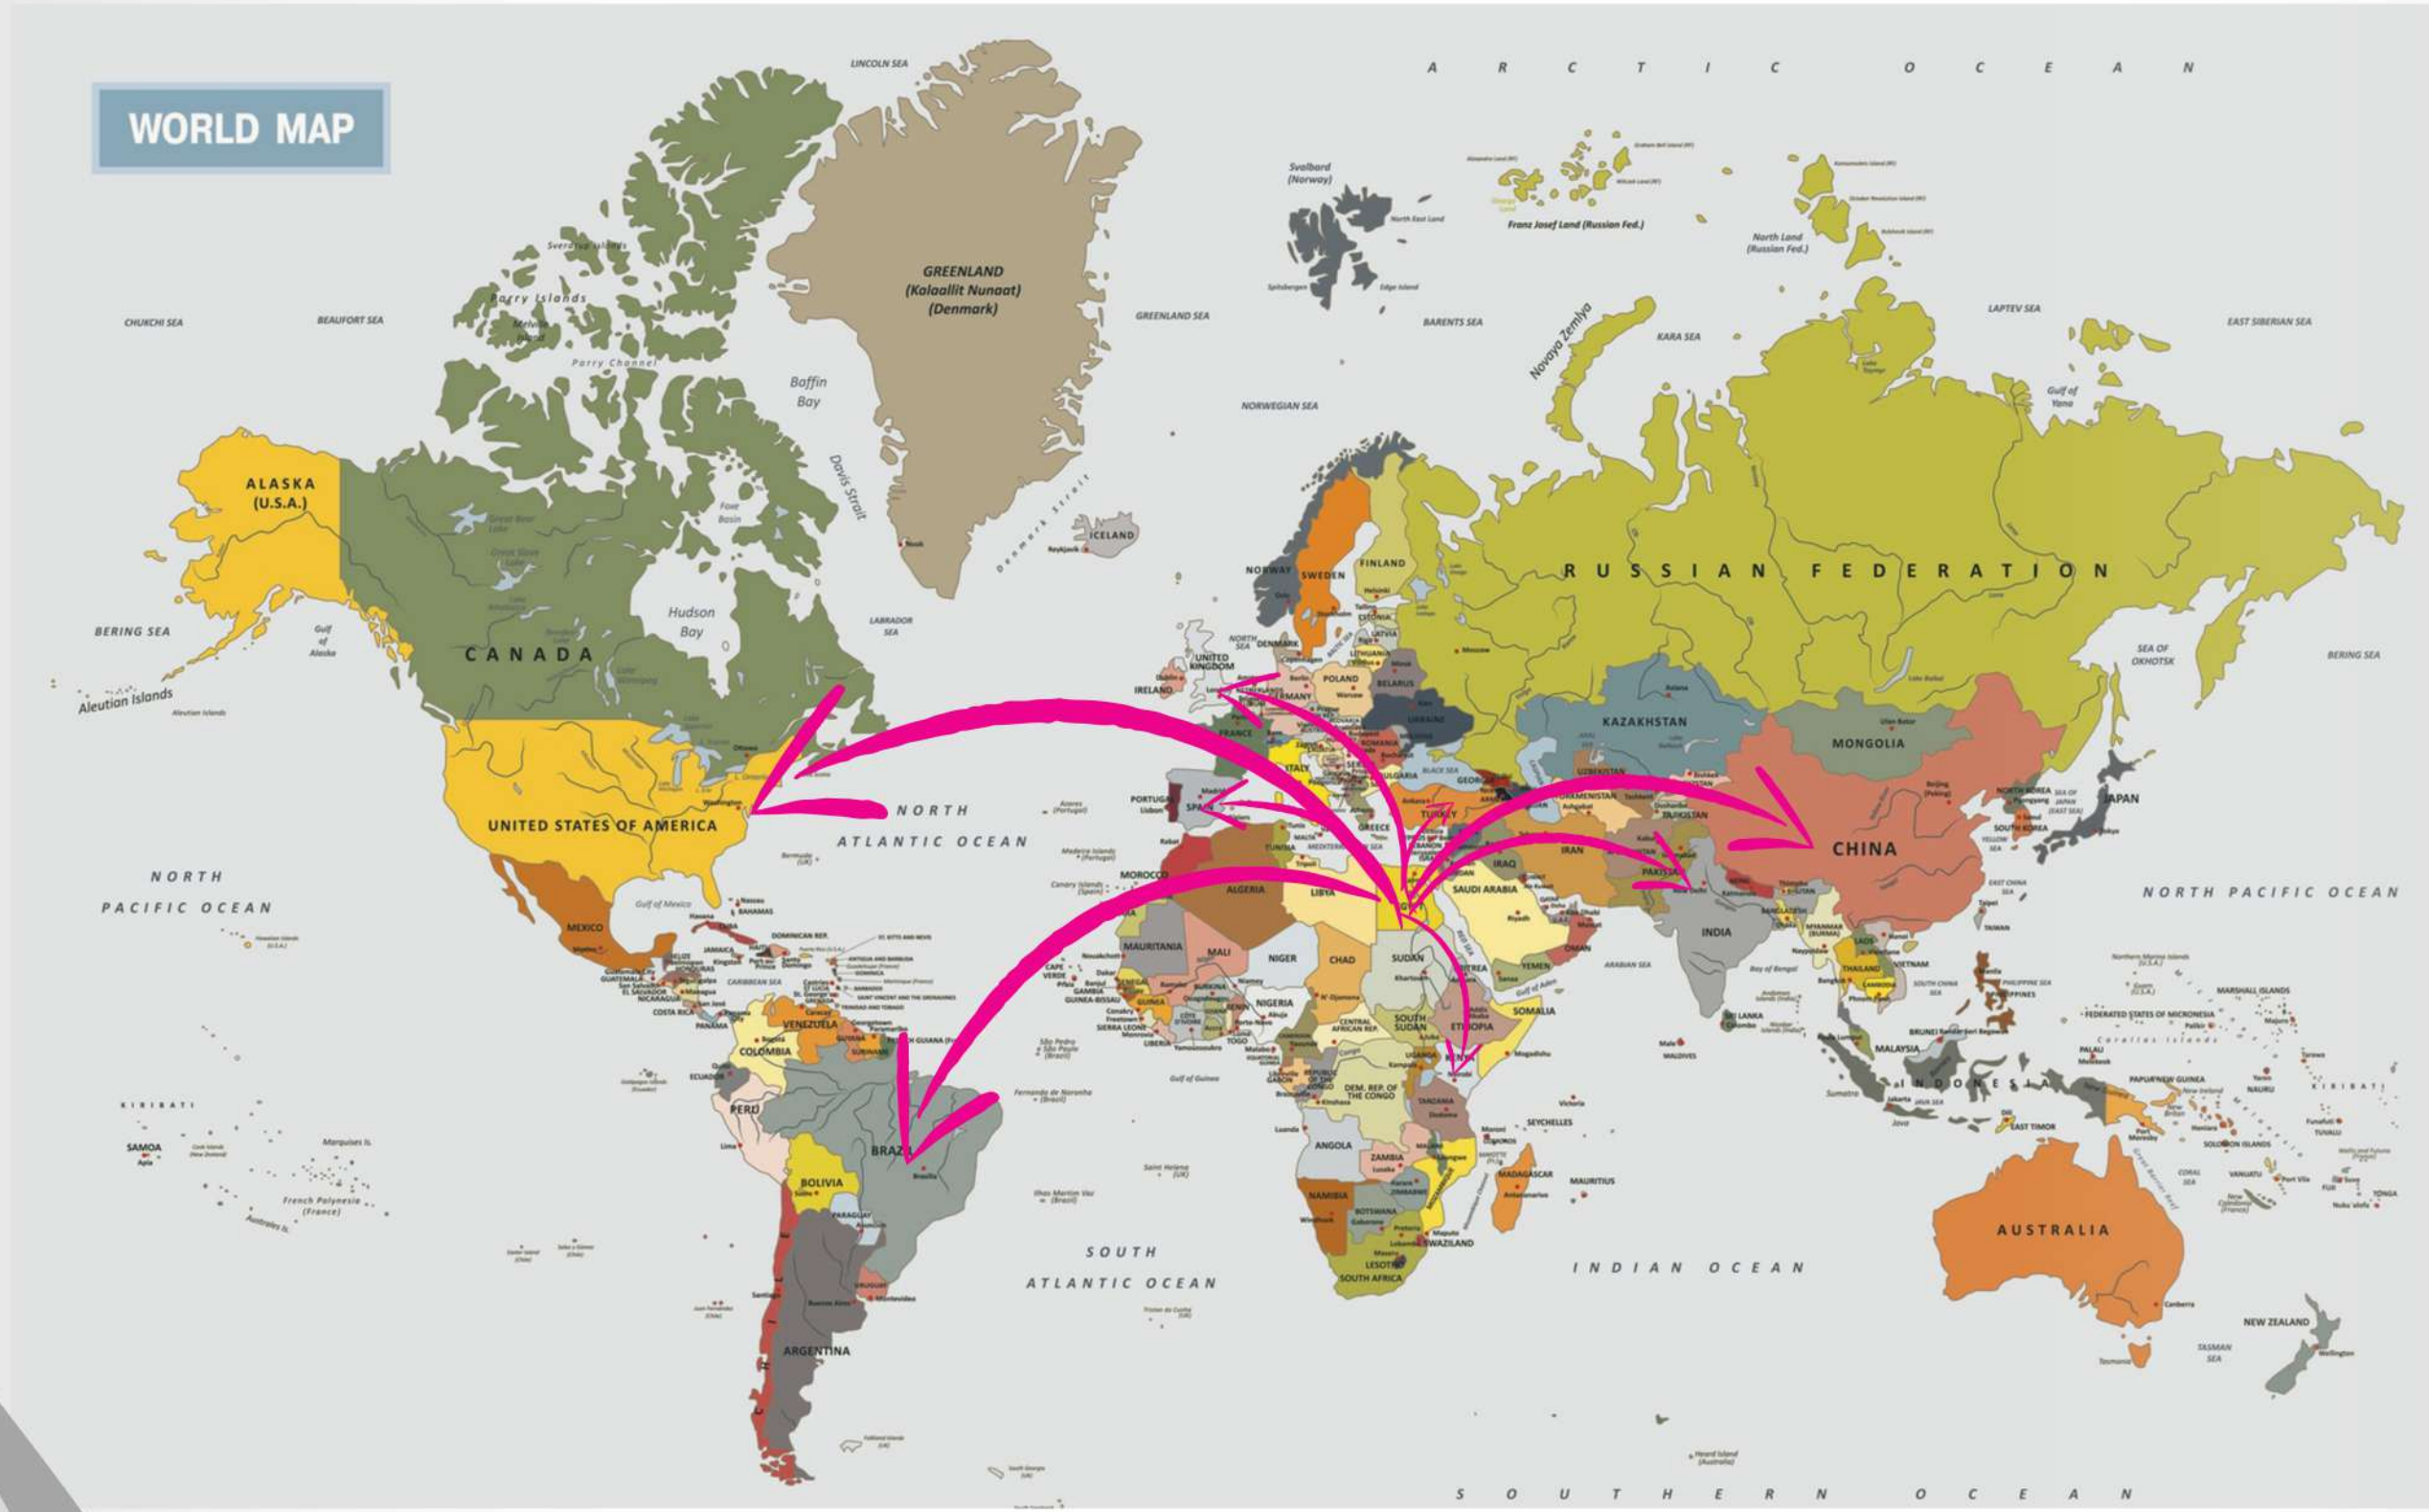

We adhere to internationally recognized sustainability standards, ensuring compliance and accountability in every aspect.

Sustainable Supply Chain

We prioritize responsible sourcing, localized production, and full supply chain transparency to promote sustainability at every stage.

WHY EGYPT?

Prime location of Egypt = shorter lead times

Trade agreements with many key markets which enable entrance of goods duty free (QIZ, EUR1, AFCFTA, COMESA, Mercosur, Agadir)

WHY EGYPT?

Competitive pricing compared to Turkey & eastern Europe suppliers

Competitive lead times & logistics costs compared to Asian suppliers

WHY US ?

- A family business SME with the right hands-on experience in garments business
- Fast response & supreme customer service
- Extensive experience in knit wear fashion capabilities such as printing, embroidery & other techniques

Our 3 Working Pillars:

Quality

Striving to follow exact customer specs

Time

very high commitment in deliveries with the shortest lead times possible

Cost

providing a right convenient price
