DETAILS

NON BRUSHED FLEECE

We've opted for non-brushed fleece fabric to give our pieces a timeless touch. This choice offers year-round comfort, making our products suitable for both winter and summer wear.

100% ORGANIC COTTON FABRIC

We've selected 100% organic cotton fabric to underscore our sustainability commitment, sourcing from certified suppliers to meet the highest environmental standards.

PLEASING TOUCH

We understand that comfort is paramount when it comes to clothing. That's why all our pieces provide a gentle and pleasing touch.

PRODUCTION

01

CONSCIOUS PRODUCTION

Our conscious production process involves meticulous tracking from fabric sourcing to the final product. We collaborate with certified suppliers to ensure an ethical and sustainable journey for our pieces.

02

ASSURED QUALITY

At WonderRaw, we uphold product quality through every stage, from the very beginning to the final packing, to ensure all items meet our standards.

WHAT ARE OUR *SUSTAINABLE ACTIONS?*

DYEING SUPPLIERS

Fostering vibrant colors through eco-friendly dyeing partners.

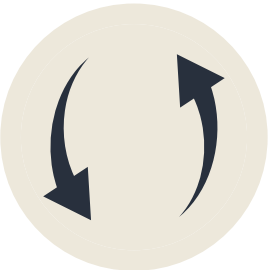

ON-DEMAND PRODUCTION

Producing only what's needed, when it's needed, reducing waste and excess.

CIRCULAR SYSTEMS TO RECYCLE

Join us in closing the loop through circular systems, recycling fashion for a sustainable tomorrow. Our products, crafted with the FIBERLOOP® project, embrace waste elimination, reduced chemical usage, etc.

SUSTAINABLE PACKAGING

From our products to your hands, we're committed to sustainable packaging for a greener future.

SUSTAINABLE PRINTING

We use eco-friendly, non-toxic inks free of phthalates and heavy metals. Our printing process has a very low water and electricity consumption, and is water effluents free..

100% ORGANIC COTTON FABRIC

Our fabrics are made from 100% organic cotton, promoting both comfort and eco-consciousness.

IN-HOUSE DIGITAL PRINTING

THE MOST SUSTAINABLE PRINTING TECHNOLOGY

DIRECT TO GARMENT
KORNIT ATLAS MAX

PRINTING SCENARIO

Run length 500 units, process and drying with 6 screens used, ink types 65% plastisol and 35% water-based.

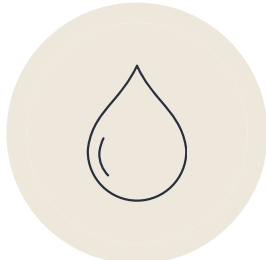

>>> MAIN ENVIRONMENTAL INDICATORS

**82.3%

SERVICES

01

3D TECHNOLOGY

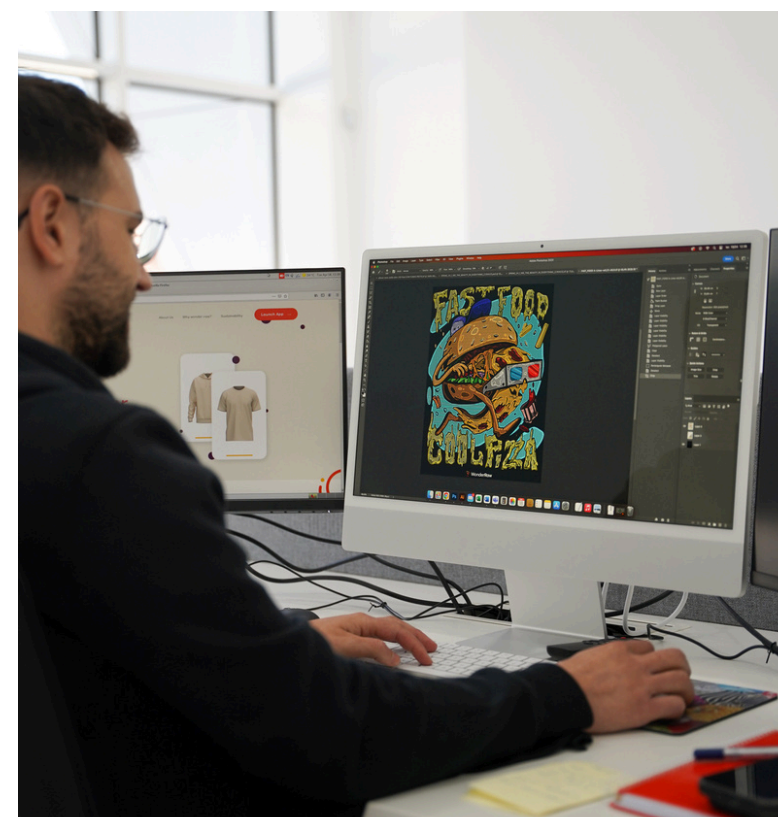

At WonderRaw, our 3D expertise provides a perfect preview of your brand's pieces, minimizing prototypes, promoting sustainability, and enhancing your visual content for social media and websites.

02

BEHIND THE SCENES

We value engaging with your brand's followers and offer cost-effective services to record all the behind the scenes during critical manufacturing stages, creating a compelling visual story for brand growth.

03

DESIGN DEVELOPMENT

Creating brand designs can be challenging, especially for new entrepreneurs without design experience. We have a dedicated team of designers to bring your vision to life and align your brand's visual identity.

04

CUSTOMIZATION

DTG printing, the most eco-friendly method, applies inkjet directly to the garment using water-based, toxin-free, biodegradable inks. We also offer 3D digital print, DTF print, vinyl, high-density, glitter, flock, screen print, and diverse embroidery methods.

OVER 50 WONDERS HAVE ALREADY ELEVATED THEIR CLOTHING BRAND WITH US.
