# About Us

Maria Mendes group is divided in two companies Antarfer \ Lunefe.

Lunefe as a manufacture company was founded in 1989 and it has been renewing itself with strong emphasis for innovation and high quality.

In Lunefe infrastructure we have all the departments needed for manufacturing production and for sampling.

We are specialists in developing and producing the finest quality t-shirts, sweatshirts, dresses, trousers, jackets, tops, skirts, vests, polo shirts in a wide range of knitted fabrics.

As a reflect of our ambition and aim to improve every day we have acquired in 2023 Antarfer- it is the print house of the group and stands out for its quality and efficiency.

# Lead Time | Partners

We offers to the clients 5/4 weeks ( plus transport time) lead time to deliver productions.

Thought the years we have stabilished partnerships and business relations to a different range of suppliers.

We work directly with finishing/dying mills, fabric suppliers, print mills, embroidery mills, laundry and piece dye mills that permitted us to grow and improve our clients response though the years.

We are **OCS/RCS -GOTS +OEKO TEX** certified.

# Clients Relation

We work directly with clients and also through agents.  
We produce knits products for Woman, Man and kids.

We present a vast portfolio of products for men, women and children, with particular emphasis on underwear (dressing gowns, pyjamas, boxers, etc).

Our MOQ are 150-200 pieces per style/colour.

# Our Vision

Our aim, as part of the fashion world, is to be recognized as the partner for fashion brands searching for quality, reliability and compromise.

As a company, we differentiate ourselves by our professionalism and approach in making our Clients' ideas to life.
