Innovating Fashion with Precision Prints

FN GROUP is a leading textile company specializing in cutting-edge printing technologies. With decades of experience, we provide innovative solutions for luxury fashion brands globally. Our commitment to quality, sustainability, and technology sets us apart in the industry.

Our Expertise

Digital Printing (DTG)
Vibrant and high-quality designs directly printed onto garments.

Design & Development
Collaborating closely with clients to bring custom design visions to life, from concept to production.

Screen-Printed Transfers
Offering stones, crystals, flex, DTF, and laser printing, among others, for unique garment customization.

Hybrid Printing
A unique fusion of digital and screen printing for flexible, high-quality results.

Why Choose us?

Innovation & Quality
We continuously push the boundaries of textile printing, blending advanced technology with creative expertise.

Global Reach
With clients across Europe, Asia, and North America, we are positioned as a trusted partner for luxury fashion brands.

Key Clients

Our main clients are textile manufacturers based in northern Portugal, with final products distributed across multiple regions globally
