Kisasa Weavers

Our Brand

Kisasa Weavers is a Kenyan family-owned textile brand crafting premium handloom and frame-loom products. Using locally sourced wool and cotton, our artisans create sustainable, timeless pieces from throws and shawls to carpets and wall hangings. Every design is authentic, customizable, and proudly made in Kenya.

Our Collections

Lookbook 2026 - 2027

Cotton Collection

Our Cotton Collection features light, versatile hand-woven pieces such as throws, shawls, and table linens. . These cotton creations reflect traditional weaving techniques, and suited for both rustic and modern homes.

Wool Collection

Our Wool Collection consists primarily of richly textured rugs and wall hangings, woven from pure sheep-wool for durability, warmth, and character.

Handwoven Throws

Our handwoven throws are crafted from 100% locally sourced cotton, offering a soft, breathable, and beautifully textured finish.

Our Woven Shawls

Our handwoven shawls are made from 100% cotton and crafted on traditional looms for a soft, lightweight, and elegant finish. Featuring a variety of weaves and patterns, each shawl offers timeless style, everyday comfort, and authentic Kenyan craftsmanship.

Our Woven Scarves

Our handwoven scarves are crafted from 100% cotton, offering a soft, breathable, and lightweight feel. Each piece features clean, artisanal weaving and versatile designs perfect for everyday wear.

Mats & Wall Hangings

Our handwoven cotton mats bring texture, durability, and artisan detail to any space.

Lookbook 2026 - 2027

Table Placemats

Our placemats are more than table accessories—they're pieces of heritage. Handwoven with precision, each placemat reflects the skill and care of our artisans, blending traditional weaving techniques with contemporary designs. Durable, vibrant, and ethically made, they bring warmth and texture to every dining experience.

Sustainability

Lookbook 2026 - 2027

At Kisasa Weavers, sustainability is at the heart of everything we do. We prioritize eco-friendly materials, ethical production, and practices that protect both people and the planet. Every product is crafted to last, reducing waste and supporting responsible consumption. By choosing our handcrafted pieces, you contribute to a cycle of environmental care, cultural preservation, and community empowerment.
