

## Codelite® Cornu Buttons

Cornu 2009

Cornu 037

Our Codelite® Cornu buttons are made from blanks using the same process as those for our range of solid and pearlescent Codelite® buttons. We maintain stock in our heritage Grove 564 pattern in 5 sizes (24L, 28L, 32L, 36L and 40L) as shown. These are available in 4-hole format and can be matte or polished as a finish.

We also offer Cornu buttons in other patterns, colour variations and in a 2-hole format. These buttons are made to order and subject to a lead time which will be agreed at the time of order. There is also a minimum order quantity (MoQ) per size and pattern.

## Real Water Buffalo Horn - Standard Patterns

Nero/Nero Vena Blanca/Nero Mancha Blanca

Grove 564

Bibury 425

Polished

Our natural horn buttons are taken from the finest quality tips of water buffalo horns. We maintain stock in a range of buttons in 2 patterns, 5 sizes (24L, 28L, 32L, 36L and 40L) as shown. These are available in 4-hole format and can be matte or polished as a finish.

We also offer horn buttons in other patterns, horn colour variations and in a 2-hole format. These buttons are made to order and subject to a lead time which will be agreed at the time of order. There is also a minimum order quantity (MoQ) per size and pattern.
