### About Us

Sevin Collection is a leading Sri Lankan apparel manufacturer specializing in high-quality garments for local and international markets. With over two decades of industry experience, the company has established a strong reputation for reliability, ethical manufacturing, and innovation in design.

### Core Services

- Apparel manufacturing and sourcing fabric
- Seasonal fashion design & product development
- Custom solutions for private labels & brands

### Manufacturing Capability

End-to-end production: designing, cutting, sewing, printing, packing, delivery.

Strong quality assurance processes following SEDEX & 7S standards.

High daily and annual production capability across multiple factories.

## Our Business Model

Senvin Collection partners with retailers to build brands, not just manufacture garments.

The company has successfully developed well-known brands such as André, L&M, Jobbs, Amazing Lanka, and others.

## Markets & Expansion

Local: Supplying leading department stores across Sri Lanka.

International Expansion Targets: Australia, UK, USA, Singapore.

New export-focused factory in Kurunegala (opening soon).

## **Why Work with Us**

- Focus on quality, design innovation, and timely delivery
- Competitive pricing through large-scale manufacturing
- Dedicated design & merchandising teams
- Proven experience creating high-selling apparel brands
- Affiliated with SLABA and JAAF
- We are a one stop shops where ideas can be bought to light and where problems can be turned into solutions when it comes to garments
- We are so specialist when it comes to fabric. In Sen vin collection we can also help the client's with sourcing the fabric , supply the fabric direct or even inspect fabric, not only manufacturing garments, we help the clients find the most suitable fabric and also get it to their door stop.

## Vision

To be the leading apparel manufacturer from Sri Lanka, empowering brands locally and globally through innovative design and world-class manufacturing.
