# PRODUCT PORTFOLIO

## 1. AFRICAN-INSPIRES JEWELRY

Our jewelry collection is a fusion of traditional African designs and contemporary aesthetics. We craft intricate pieces using ethically sourced materials, including bones and horns from local abattoirs and ethically sourced gemstones. Each piece tells a unique story of Kenya's cultural diversity.

## 2. LUXURIOUS LEATHER BAGS

Our leather bags exude elegance and are a testament to the quality craftsmanship of our artisans. We utilize responsibly sourced leather to create stunning handbags and accessories. These bags are not just fashion statements but also a symbol of our commitment to sustainable luxury.

# SUSTAINABILITY COMMITMENT

*Zanta Adeyde* is dedicated to sustainability in every aspect of our business. We believe in responsible sourcing, minimal waste generation, and ethical manufacturing. Our commitment to sustainable practices includes:

## **ETHICAL MATERIAL SOURCING:**

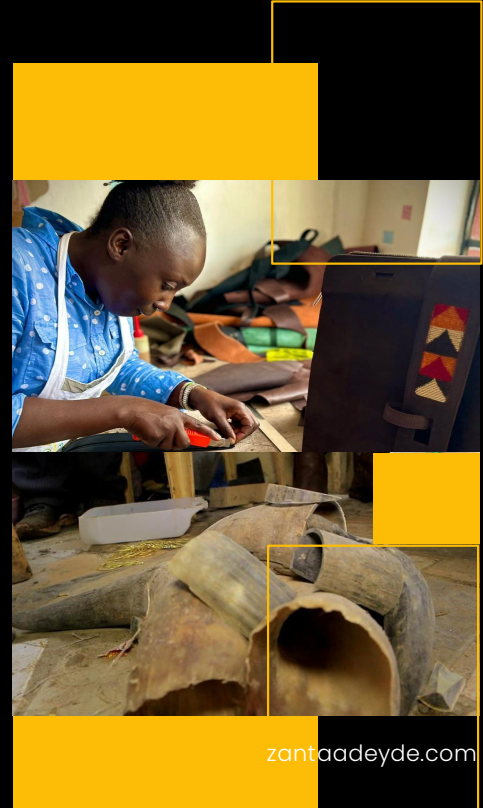

We partner with local abattoirs to obtain horns, bones, and leather, ensuring that no animals are harmed for materials. While reducing waste and supporting local livelihoods. Our gemstones are Ethically sourced directly from Kenyan mines, operated and managed by women, strengthening community income and promoting fair, transparent supply chains

## **ZERO-WASTE MANUFACTURING:**

Our artisans utilize every part of the materials, leaving no room for waste. We repurpose scraps into smaller accessories or for other creative purposes.

## **ECO-FRIENDLY PACKAGING:**

We use environmentally friendly packaging materials to reduce our carbon footprint. Our packaging is recyclable, ensuring that our products' journey from our workshop to your doorstep is as sustainable as possible.

# COMMUNITY IMPACT

*Zanta Adeyde* recognizes the potential in young women and men from Kibera, one of Africa's largest slums. We are deeply committed to empowering these individuals by providing training and employment opportunities. Our community impact initiatives include:

## 1. SKILL DEVELOPMENT:

We train young individuals in the art of jewelry-making and bag crafting. This empowers them with valuable skills that can lead to sustainable livelihoods.

## 2. ECONOMIC EMPOWERMENT:

By offering employment to the local community, we aim to break the cycle of poverty and create opportunities for growth and development. Cultural Preservation: Our products showcase Kenya's cultural richness and diversity. By involving local artisans, we contribute to the preservation of these traditions.
