Garment sourcing
done right.

WHO WE ARE

Plenty of factories can make the garments you need.

We're the ones making sure you're not worrying about it.

WovenTex is a garment sourcing partner with direct access to large-scale factory production in Bangladesh.

We're physically present on the factory floor, managing every order end-to-end. No middlemen forwarding emails.

No radio silence. Just clear, honest communication from development through to delivery.

HOW WE WORK

01

Brief

You share your vision. We understand fit, fabric, finish, and volume.

02

Development

Samples made in our factories. We run QA in person, every step.

03

Production

Bulk manufactured under our direct oversight. Full visibility throughout.

04

Delivery

Shipped on time, to spec. Relationships built for the long haul.

Let's discuss your next collection!
