# Product Categories

We offer end-to-end manufacturing solutions across **a wide range of apparel categories**

We assign factories **based on their specialization** in your chosen garment category, ensuring every piece is produced with a **history of experienced craftsmanship.**

What sets WovenTex apart isn't just what we offer, it's how we deliver it.

### Factory-Client Alignment

We match each garment to the factory with the strongest technical fit, ensuring better results, faster.

### Production Ownership

We act as global client managers within the factory, not outside consultants, ensuring clear priorities and direct accountability.

### Speed with Structure

From sample development to final shipment, we work fast without cutting corners, thanks to optimized workflows and planning.

### On-Ground Quality Oversight

Every product passes through strict internal QC protocols before it ever reaches third-party inspectors.

Our approach is built on efficiency, trust, and real industry insight.

### Market-Specific Adaptability

Whether you're launching a new collection or scaling basics, we adapt to meet the demands of different retail models and seasons.

### Trusted by Major Brands

Our factories have delivered for some of the world's biggest names, giving you the same backbone of expertise and reliability.

### Clear, Centralized Communication

No scattered updates or shifting contacts, one dedicated team handles your entire production process.

# How It All Works

Our process is designed to be smooth, transparent, and efficient, so you stay in control, without getting buried in the details.
