

IDETEK[®]
DESIGN & SUPPLY

ISTANBUL • LONDON • SINCE 1988

IDETEK GROUP

We are a jersey garment supplier which gives end to end service from sourcing till delivery, since 1988.

We offer design and trend consultancy from our UK design team and offer R&D, fabric sourcing, manufacturing and quality assurance services from our Istanbul Office. Due to the our company structure and production routes, we can offer quick and focused service with short lead times. In our office we have a merchandiser team, fabric technologist, garment technologist and logistic departments. Our strength is quick service from sampling to production and all meets with our customers high standarts. We have strong relationships with our customers and have been working with many of them for over 15 years. Our factories located in Kırklareli, which one if it owned by us ,committed to high quality standards ,ethical production and sustainability requirements in line with UK and EU .
