

Founded in 2003, Tex Avenue has become a dynamic and fast-growing player in the Mauritian textile industry putting our knowledge and expertise to clothing brands and designers worldwide. Driven by a passion to be a part of the textile evolution, we are proud to be a 100% Mauritian production.

With a high degree of flexibility in terms of quantities and offering quality workmanship, the company has specialized in T-shirts, polo shirts, sweaters and joggers for men, women, children and babies. We not only design your product but also make the patterns, prototyping and industrialisation.

Over the years Tex Avenue has continuously improved its customer service, innovation, quality, responsiveness and efficiency to offer our partners the very best. Furthermore, our ongoing investment in automation technologies is enabling us to stay at the cutting edge of technology by optimising our processes to be more efficient, productive, cost-effective and consistent.
