OUR STORY

Who We Are

A luxury manufacturer rooted in Mauritius — crafting premium knitwear and woven outerwear for the world's most discerning markets. From design to dispatch, everything under one roof. We source the finest Grade A cashmere from Inner Mongolia and premium yarns from European mills to produce collections that rival heritage luxury houses — at a fraction of the cost, with zero import duties into key markets.

WHAT WE OFFER

Our Services

Bespoke Manufacturing

Every piece made to your exact specifications — fabric, silhouette, lining, buttons, monogramming. Your vision, our craftsmanship. Full design consultation from concept to finished garment.

Low Minimum Orders

Boutique-friendly MOQ designed for independent retailers and emerging brands. No need for bulk commitments — start small, scale with confidence as your brand grows.

Range of Fabrics

From 100% Grade A cashmere to cashmere-silk blends, camel-cashmere, fox-cashmere, and premium wools. Knitwear yarns from 3GG to 16GG. One supplier for your full collection.

Competitive Pricing

Premium fibre quality at Mauritius manufacturing efficiency. Zero import duties into EU, UK, USA, and South Africa give your margins an immediate advantage over competing origins.

Private Label

Custom labels, packaging & branding under your own name. Full white-label service available.

Global Shipping

FOB Port Louis standard. CIF available on request. Reliable international logistics network.

6–8 Week Lead

From confirmed order to dispatch. Responsive production planning for seasonal buying windows.

Full Package Manufacturing

Design consultation, pattern making, sourcing, production, quality control, packaging, and shipping — all under one roof in Mauritius. One point of contact for your entire production run.

Traceability Drives Premium Pricing

Consumers increasingly pay premium for verified fibre provenance — exactly the model CPC operates. Brands with transparent supply chains command 15–30% higher price acceptance across all markets.

OUR ADVANTAGE

Why Choose CPC

Full Package Manufacturing

Design consultation, pattern making, sourcing, cutting, sewing, finishing, quality control, packaging, and shipping — all handled in-house at our Mauritius facility. One point of contact from concept to dispatch.

Boutique-Friendly MOQ

Low minimum order quantities designed for independent retailers, concept stores, and emerging brands. Start with a small initial order and scale production as demand grows — no large inventory risk required.

Premium Fibres, Fair Pricing

Access Grade A Inner Mongolian cashmere, European mill fabrics, and luxury blends at competitive wholesale rates. Mauritius manufacturing efficiency delivers luxury quality without luxury overheads.

Zero Import Duties

Mauritius preferential trade agreements deliver a direct cost advantage — zero duty on import into the European Union (GSP), United Kingdom (DCTS), United States (AGOA), and South Africa (SADC).

Bespoke Customisation at Every Level

Choose your fabric, select your silhouette, customise lining, buttons, labels, monogramming, and colourways. Every garment is made to your exact specifications — whether you need 30 pieces or 3,000.
