Who We Are?

Established in Mauritius in 1971, Wensum Ltd blends century-old tailoring heritage, skilled craftsmanship, and modern elegance to create high-class menswear and ladieswear for prestigious international clients.

We embrace timeless British heritage through traditional craftsmanship, meticulous detail, fine fabrics and trims, and refined in-house designs.

We serve Mauritian and international clients with the same prestige, care, and precision, creating timeless tailored garments that evolve with the height of international fashion.
