

2024/2025 WEED BURNER & CHARCOAL LIGHTER

www.plustoolgroup.com

WEED BURNER

PTWB2000ST

AC 230V~ 50 Hz

2000W

Max. temperature
650 °C

2 settings:
I: 50 °C - 500 L/min.
II: 650 °C - 500 L/min.

Features

- Simply destroy weeds by heating weed in only 5 seconds
- No fuels needed
- Eco-friendly: no chemicals, no CO2 emission
- Includes Concentration nozzle for weed burning, support hook
- Economic model, great for promotions and campaigns
- Optional BBQ nozzle to light the barbecue
- Handle's tube can be disassembled for reduced carton size

PTWB2000B

AC 220-240V~ 50 Hz

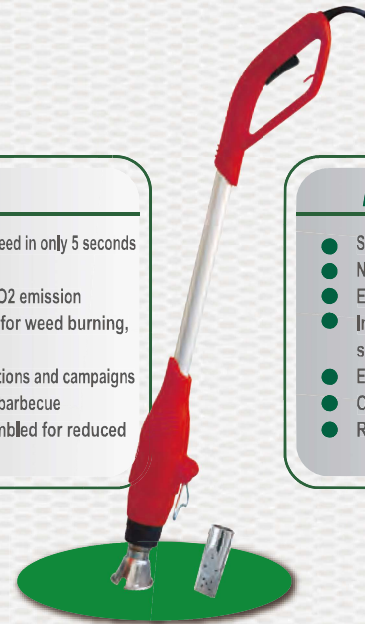

1600W or 2000W

Max. temperature
600 °C

2 setting:
600 °C - 550 L/min.

Features

- Simply destroy weeds by heating weed in only 5 seconds
- No fuels needed
- Eco-friendly: no chemicals, no CO2 emission
- Includes Concentration nozzle for weed burning, support hook
- Economic D-handle for comfort use
- Optional BBQ nozzle to light the barbecue
- Robust handle tube

WEED BURNER

PTWB2000H1

AC 230V ~ 50 Hz

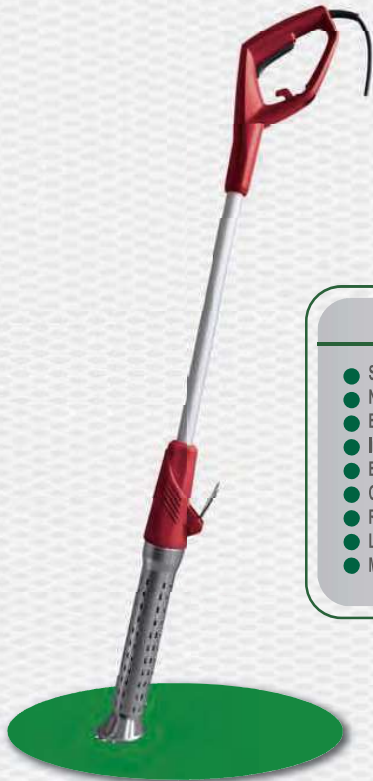

2000W

Max. temperature
650 °C

1 settings:
600 °C - 550 L/min.

Features

- Simply destroy weeds by heating weed in only 5 seconds
- No fuels needed
- Eco-friendly: no chemicals, no CO2 emission
- Includes Concentration nozzle for weed burning, support hook
- Economic D-handle for comfort use
- Optional BBQ nozzle to light the barbecue
- Robust handle tube
- Large wind tube and heating element for longer life time
- Motor housing can be disassembled for reduced carton size

PTWB2000STA / PTWB2000STB

AC 230 ~ 50 Hz

2000W

Max. temperature
650 °C

1 settings:
600 °C - 550 L/min.

Features

- Simply destroy weeds by heating weed in only 5 seconds
- No fuels needed
- Eco-friendly: no chemicals, no CO2 emission
- Includes Concentration nozzle for weed burning, support hook
- Economic D-handle for comfort use

WEED BURNER

PTWB2000A

AC 220-240V~ 50/60Hz

2000W

Max. temperature
650 °C

2 settings:
I: 80 °C - 550 L/min.
II: 600 °C - 550 L/min.

Features

- Simply destroy weeds by heating weed in only 5 seconds
- No fuels needed
- Eco-friendly: no chemicals, no CO2 emission
- Includes Concentration nozzle for weed burning, support hook
- Economic model, great for promotions and campaigns
- Optional BBQ nozzle to light the barbecue
- Handle's tube can be disassembled for reduced carton size
