WHO WE ARE

At Win World International Trade LLC, our primary mission is to listen to customers, and to learn and grow together using the latest technology to best meet our customers' needs worldwide.

Win World International Trade LCC was founded in 2017 when owner, Jenny Zhang, saw an opportunity for factories overseas to better partner with their customers. Win World's factories have serviced clients in various industries including pet, pest, farming, portable shelters, and much more since 2002, maintaining a high standard of excellence and quality.

In 2022, the company acquired THE PET GAZEBO®, a leading brand in dog kennels. THE PET GAZEBO offers a safe and secure solution for pet parents at home: indoors, outdoors, and on-the-go. And in 2023, won the coveted **"Retailer's Choice Awards"** at the National Hardware Show.
