

A JOURNEY of anticipation and discovery

JOURNEY

JOURNEY is a Singapore brand that represents the creative talents of people with intellectual disabilities. Through this platform, the artworks of special needs artists from TOUCH Community Services are recognised and shared with a wider public as well as corporate bodies.

The complete range of JOURNEY products includes **JOURNEY Prints**, **JOURNEY Paintings** and **JOURNEY Handicrafts**.

JOURNEY supports over 60 artists from TOUCH Community Services - a local charity that conducts an art programme for people with intellectual disabilities. Through JOURNEY, these artists can earn an income from the sale of their art while showcasing their talent and tenacity.

Enquiries on partnerships, exhibitions, booth sales, corporate and customised gifts are welcome. Find out more on how you can journey with us at www.journeyspecial.com.

JOURNEY Prints

JOURNEY Prints develops and sells lifestyle products that are transformed from artworks produced by the artists. These unique art prints can be made available through a one-stop service, from design to delivery, on customised corporate gifts.

JOURNEY Paintings

JOURNEY Paintings offers a wide range of drawings in different strokes, styles and colours that reflect the emotions of the artists.

JOURNEY Handicrafts

JOURNEY Handicrafts carries exquisite handicraft ceramic art that showcases Singapore culture and places of interest. Every ceramic piece is intricately decorated, hand-glazed and kiln-fired.

JOURNEY Special Artists

JOURNEY's 60 special artists may be diagnosed with intellectual disability, but it doesn't hold them back from being competent in creating good art. Their paintings are more than just pretty pictures. Each choice of colour and paint stroke conveys emotions that reveal glimpses of their outlook of life. Behind every artwork is a story of our artists' experiences and personalities.

With art as the platform, get to know our special artists better and be a part of their JOURNEY.

Chen Zhiyu, b.1984

Zhiyu loves dinosaurs and enjoys reading about them in his free time. He also used to be very reserved and found it challenging to start a conversation with others. Art has given Zhiyu more confidence in life. He is no longer the reserved person he once was and is now able to give a brief introduction about himself. Zhiyu also creates art works that carry his unique perspective of life, such as iconic playgrounds in Singapore. Zhiyu is diagnosed with intellectual disability and autism spectrum disorder.

Emily Chua, b.1988

Emily loves animals, especially cats. Felines hold a special appeal for her, as she finds the animals graceful and mysterious. Emily also enjoys creating art. It is a good platform for her to express her feelings and perspective to a wider audience. Being exposed to different art forms has helped Emily develop a better appreciation for the use of colours in her art. She hopes that her paintings can make people happy. Emily is diagnosed with down syndrome.

Toh Hui Ping, b.1983

Hui Ping is an active individual who likes the outdoors. She prefers hanging out with her friends and coaches at a day activity centre that she attends and plays basketball weekly. Hui Ping adores cute trinkets and loves accessories such as colour bracelets and cartoon keychains on her bag. Being good with her hands, the 36-year-old also enjoys painting and stencilling. She is also willing to learn new art forms to be better at her craft. Hui Ping is diagnosed with intellectual disability and speech impediment.

Chew Mei Hui, b.1984

Taking long walks is one of Mei Hui's favourite pastimes. Besides checking out her neighbourhood and shopping malls, she also enjoys outings with her friends at the end of the week. Other hobbies include watching local TV dramas at home and playing Candy Crush, a puzzle game, on her handphone. Mei Hui also enjoys stencilling in art class as she is able to use a wide variety of colours in her art creatively. Mei Hui is diagnosed with intellectual disability.

Loh Wei Jie, b.1996

Wei Jie enjoys eating and likes to listen to a variety of music, from Chinese oldies to trance and disco. He is also a friendly and sociable person, often going out with his friends and hanging out at malls on weekends. As an artist, Wei Jie is creative and displays creative flair through art as a medium. He also has a good eye for detail, being able to highlight intricate art forms in his paintings. Wei Jie is diagnosed with autism and mild mental retardation.

CERAMIC PLATE

Botany Love

Flowers adorn the cityscape in our garden city, but each flower is unique and beautiful in its own way. Likewise, each ceramic plate is one-of-a-kind; from the first sketch on paper to the final transfer of design on the ceramic plates, each piece is handcrafted with love by JOURNEY's special needs artists.

CERAMIC PLATE

Cultures of Singapore – One People

Singapore is home to a diverse range of cultures, ethnicities and religions. Just like many Singaporeans, our artists have friends and neighbours from different ethnic groups and backgrounds. This unique Singapore identity and cultural diversity is rendered on the plate design.

CERAMIC PLATE

Cultures of Singapore – Chinese Opera

Chinese Opera is a performing art form rooted in Chinese traditions and staged with stylised actions and elaborate costumes. Chinese opera is a cultural art form that has evolved through the ages.

CERAMIC PLATE

Cultures of Singapore – Peranakan Motifs

Peranakan motifs typically symbolise marital harmony and longevity, and feature colourful and eye-catching designs. These ceramic plates add a pop of colour to your home. You can also use them when whipping up a delectable Peranakan feast!

CERAMIC PLATE

Dainties of Singapore

The Vanda Miss Joaquim, Singapore's national flower, is a beloved icon for many Singaporeans. Singapore is also home to many other orchid species which adorn our green spaces. The orchid motif is represented in many aspects of Singaporeans' lives - from bank notes, coins to stamps. Bring home your own unique piece of this national icon.

CERAMIC PLATE

Places of Singapore

Weave between nostalgia and modernity with our artists' rendition of popular Singapore attractions. From the iconic dragon-shaped playground and Marina Bay Sands to colourful shophouses along Chinatown, own a piece of Singapore's history with these handcrafted ceramic plates – the perfect gift to celebrate Singapore's heritage in style.

PAINTINGS

Bring a piece of nature into the comfort of your own home with our artists' paintings. These natural depictions range from a vase of freshly cut flowers, the majestic eagle and the Singapore Botanical Gardens, a UNESCO World Heritage Site. These paintings reveal our artists' intrigue and fascination with the flora and fauna in Singapore.

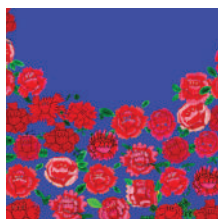

PRINTS

JOURNEY proudly presents its series of collections in style and vibrancy. JOURNEY Prints develops and sells lifestyle products that are transformed from collective artworks produced by the special artists. These unique art prints can be made available through a one-stop service, from design to delivery, on customised corporate gifts.

CORPORATES

Wing Beneath My Wings

This nature-inspired series encapsulates the fluidity and transient beauty of leaves and diversity. Fashioned after the different shapes and textures of a myriad of plants, each leaf motif is designed by an artist with special needs, and hand-printed on paper using avant-garde stamping tools.

Colours of Life

An ode to how colours reflect myriad emotions, 'Colours of Life' boasts of vibrant hues painted in abstract lines and shapes. Each piece in this series depicts the artist's passion for life and emotional journey.

Floral Blooms

Sophisticated lilies, graceful orchids and flamboyant heliconia grace this series of iconic flowers of Singapore. Each piece features the delicate blending of colours to bring out the beauty of our tropical plants.
