We're dedicated to giving our customers a very best of handicraft industry with a focus on quality, creative and excellent customer services with our premium products.

The company started its business in year 2010 by N.A Khan, and by his great vision, commitment and determination, we have come a long way from its beginnings. When Fine Exports was started out, his passion is all about to support local artisans and their families, his hard work and efforts turned into a booming company.

It has always been our priority to ensure our customers the best quality at most competitive prices and also on time deliverance. This attitude of ours has driven us with a phenomenal growth over the years and has also enabled us to gain some of the most prestigious clients who we are proudly working with today.

At we, M/S FINE EXPORTS is one of the fastest growing company which is serving customers all over the world and making good wing in the handcrafted industry.

## GENERAL INFORMATION

Established in Year 2010

A SEDEX compliant company

Have our own Seasoning & Chemical Treatment Plant

Production capacity is about **50,000** pieces in a month

Factory area is nearly about 5000 SQM where 200 craft men are working.

In addition, more then 300 people are involved on contractual basis in carving, engraving, brass inlaying etc at there own places because wood carving work is a cottage industries of Saharanpur.
