Bees Wax Candle

- * Non Carcinogenic
- * Purify the Air
- * Ecofriendly
- * Made by 100% Bees Wax
- * Aromatic
- * Burns Cleanly
- * Remove Toxin from air

Relieves Stress and Promotes Relaxation
BEES WAX CANDLES

Beeswax candles is natural made by bees it is not made from paraffin which can endanger your health and that of your family due to the soot from paraffin wax that can be inhaled. Also, it can cause significant damage to the inside of your house, such as your computers, electrical appliances etc.

Instead, opt for these pure or natural candles, which work well as stress relievers.
