

Craft for
the moments of delight

只为
品味的一刻

Zibo Kunyang Ceramics Industry Ltd was established in 2003 ,specialized in producing new bone china/stoneware material products,including new bone china/stoneware mugs and bowls with decals, new bone china/stoneware embossed colour glaze mugs and hand-painted items.It is a famous ceramic enterprise in Zibo City.

Our factory has strong production technology, covering an area over 40,000 square meters, hiring nearly 350 skillful workers.,having four automated intelligent production lines, a whole set of production line equipment.It starts from the raw material, then clay making, shaping, glazing, firing ,decal to packing .The annual output can reach at 3 million pieces.

As a foreign trade enterprise,our factory has passed quality authentication of ISO9001,SEDEX and BSCI audit,Disney authorization.All of our products are safe enough to pass a variety of professional tests ,such as FDA,LFGB,CA65 and so on.They are exported to more than 80 countries and regions, such as USA, Germany, UK,France, Netherlands,Mexico,Brazil,UAE etc., enjoy a good reputation from customers and consumers.

We adhere to the enterprise spirit of "honesty, service and satisfaction" ,advocate the quality policy of "high standards are met from the very beginning".And we will strive to realize the transformation from traditional ceramic industry to technology-based, service-oriented and culture-oriented enterprises, and make efforts to become a better manufacturer of daily-use ceramics.

For more information on our series of products, please do not hesitate to contact us with your detailed inquiries.

Thermos Sports Kettle Bowling Cup

Large Capacity design: This stainless steel bottle has a large capacity and can hold enough liquid to ensure that you will not lack water during outdoor activities, sports, or travel. No need to make up water frequently, allowing you to enjoy activities easily.

High-quality stainless steel material: the bottle is made of high-quality stainless steel, which is strong and durable, and not easy to be damaged. Stainless steel can also maintain the original taste of the beverage, which will not affect the taste and will not produce a peculiar smell.

Outstanding heat preservation performance: this bottle has excellent heat preservation performance, which can keep the temperature of hot drinks in cold weather or cool cold drinks in hot weather. You can enjoy warm or cool drinks as needed.

Multifunctional use: this bottle is not only suitable for sports and outdoor activities but also suitable for daily life. You can use it in the office, at home, or in the car to enjoy fresh drinks at any time. It also fits sports kettles or bowling cups.

Easy to carry: The bottle is designed with the convenience of carrying, which is convenient to put in a bag or carry around. No matter where you go, you can easily carry this large-capacity bottle.
