# LIUSHUN'S STORY

LIUSHUN represents the fusion of our kid's names and our unwavering dedication to our customers. LIUSHUN believes in the boundless potential of dreams and creativity within each individual.

With over 20 years of paper printing industry experience, our notebook customization factory upholds the highest international standards, including ISO9001, BSCI, and FSC certifications. This commitment ensures the exceptional quality of our products and environmental sustainability. Our service team is attuned to the unique needs of our customers, offering personalized services to enhance their communication and customization experience.

Our products, the PLANNER, JOURNAL, NOTEBOOK, transcends the traditional notebook with its minimalist yet sophisticated design. It is the perfect companion for inspiring creativity and organizing life, transforming every writing session into a soulful experience and every plan into an opportunity.

"ENJOY WRITING, ENJOY LIFE" is the creed of our brand. LIUSHUN encourages finding joy in writing and cherishing the creative journey. Our products are bridges that connect dreams with reality, bringing tranquility and harmony to daily life, and amplifying our client's brand's value and influence.
