## A TRADITIONAL CHRISTMAS TREND FULL OF NOSTALGIA

Using a traditional Christmas pallet of rich red, leafy greens, soft creams and gold detailing, create this trend based on the traditions of a family Christmas.

Velvet ribbon handles and bows, soft craft paper bases mixed with watercolour artwork depicting traditional Christmas robins, foliage and of course Santa make this trend shout 'It's Christmas!'.

KEY COLOURS

## RUSTIC, WARM & COSY

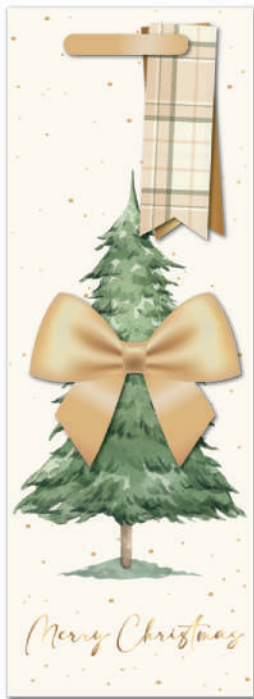

Warm neutral tones of sage, forest green and caramel with touches of gold.

Nordic winter cabins bring in a contrasting splash of festive red.

Stylised snow tipped trees, modern snowflakes and soft plaid patterns give this trend a real cabin feel.

Oversized velvet bows, hessian handles and double tags add texture for this rustic trend.

## A RICH & LUXURIOUS CHRISTMAS TREND

Dark tones of navy, burgundy and forest green with highlights of rich gold and amber foils. Dusky pink brings in a contrast colour for an opulent pallet.

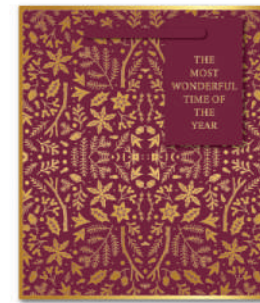

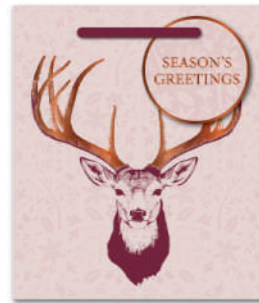

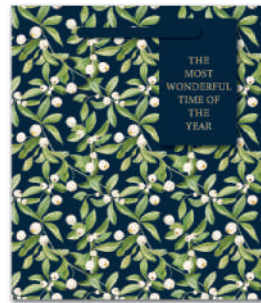

Vintage woodland artwork, strong typography and classic Christmas captions gives this trend a real heritage feel.

Velvet ribbon handles are the perfect finishing touch.
