

Rebecca Pitcher

SPRING/SUMMER 2021

Rebecca Pitcher designs fresh and contemporary products inspired by the British countryside and country living.

We are proud to manufacture our entire product range in Britain and enjoy working with small manufacturers to achieve the highest quality end results.

In 2020 we made a commitment to lessen our impact on the environment and have developed eco conscious packaging and production methods throughout the business

Kitchen Fabrics

A range of kitchen fabrics in 4 coordinating designs including aprons, tea towels and oven gloves.

To create our new Dogs and Daisy & Bee fabrics, we took some of our bestselling card designs and turned the illustrations into digital prints to create fabrics we know you will love!

Luxury Jar Candles

Create a sense of warmth and relaxation with our beautifully scented natural wax candles, hand poured in Yorkshire.

With a 40 hour burn time and an excellent scent throw, these luxury jar candles will burn cleanly and evenly right down to the bottom of the jar.

Made with soy wax and a cotton/linen blend wick, they are presented in our signature blue and white gift boxes.

Frankincense & Bergamot

An intense and exotic blend of bergamot and fresh eucalyptus with frankincense, cedarwood and amber.

Winter

An aromatic spicy fragrance opening with citrus orange and lemon, followed by rich, warm cinnamon and clove with hints of jasmine, on a woody base.

Rhubarb & Sicilian Lemon

A refreshing fusion of juicy and tart English rhubarb with beautifully sharp and zesty Sicilian lemons.

Lavender

A soothing essential oil blend of lavender, with hints of citrus, cedarwood and eucalyptus.

Gingerlily

A floral-oriental blend of essential oils with top notes of bergamot, aniseed and cypress, deepening into ylang ylang, cedarwood and patchouli

Fresh Cut Grass

Take a walk through a meadow and experience the sparkling fresh scent of the first cut of spring.

Raspberry & Sloe Gin

The scent of sloe gin infused with luscious raspberries, juniper berries and hints of zest.

Rose & Oud

Luxurious rose and precious oud sit on a velvety base of sandalwood and vetiver.

Reed Diffusers

Fill your home with beautiful fragrance with one of our gorgeous reed diffusers, each lasting for up to six months.

With the same quality fragrances as our candle range, each diffuser is made by hand in Yorkshire, using an eco friendly soy base.

Presented in our signature white and blue gift packaging.
