That's why APERITIVO!

• Trend

Based on the boho look trend, the summer theme features a mix of colours, fabrics and patterns. Macramé and fringes from the 70s are enjoying increasing popularity again.

• Extraordinary

Glass in combination with handcrafted braided elements as well as lacquered bamboo wood are the eye-catchers of the theme and reflect the attractive product range. The current summer colours sage green and peach harmonise very well with the natural shades.

• Combinable

The products can be wonderfully combined with the Casolare and Matera themes.
