MOCUBO cutting board with prep storage

Mocubo brings the basic cutting board into the 21st century. A durable board hides three food-prep containers under its chopping surface. Slice, dice, and then sweep your ingredients right into the drawers below until you're ready to use them. Mocubo's surface is made from finished, oil-treated bamboo that is scuff resistant and absorbs moisture. Additionally, the drawers are removable so cleanup is a breeze.

Dimensions:
16" W x 11" H x 1.75" D
(406mm W x 279mm H x 44mm D)

Materials: bamboo, plastic

GRIP GRATER 4-in-1 grater

This ultimate kitchen grater comes with four interchangeable plates: one with large holes, one with small holes, one for coarse grating, and one for slicing. It folds for storage and its multiple positions make for easier, more efficient grating. Use it vertically as a hand-held grater or fold it flat and use it horizontally to grate over a plate or bowl.

Dimensions:
Folded - 5.11" L x 7.48" W x 1.3" H (130mm L x 190mm W x 28mm H),
Unfolded - 12" L x 7.48" W x 1.3" H (305mm L x 190mm W x 28mm H)

Materials: plastic, stainless steel

PLUCK egg separator

Pluck makes separating eggs a clean and easy task. Simply squeeze and release its flexible silicone chamber to extract caloric yolks from the whites... and voilà! When you're all finished, Pluck's clear plastic tip and silicone bulb come apart for easy cleaning by either dishwasher or hand.

Dimensions:
4" L x 2" W (54mm L x 100mm W)

Materials: silicone, plastic

PORTION measuring spoons

With Portion spoons you can measure, mix, and serve all with one utensil. When you're done, hang them from a hook to reduce kitchen drawer clutter. This set includes two spoons: the large one has graduated lines that indicate measurements of one teaspoon, one tablespoon, and two tablespoons; the small one indicates measurements of one quarter teaspoon, one teaspoon, and two teaspoons.

Dimensions:
Large spoon - 13" L x 2.5" W (330mm x 63.5mm).
Small spoon - 8.5" L x 1.75" W (216mm x 44mm)

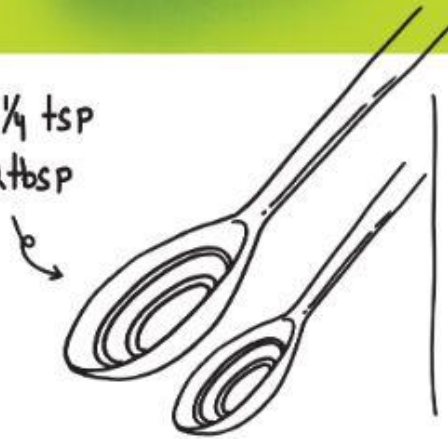

Materials: nylon

VENTU colander + serving bowl

Ventu is a multipurpose bowl with a removeable base that allows you to prep, strain, serve, and store—all in one elegant solution. Use it as a colander to remove excess water from pasta, salad greens, fruit, and more. Switching between its straining and serving functions is easy: just pop the silicon-sealed base on to create a watertight bowl, and save yourself from washing extra dishes.

Dimensions:

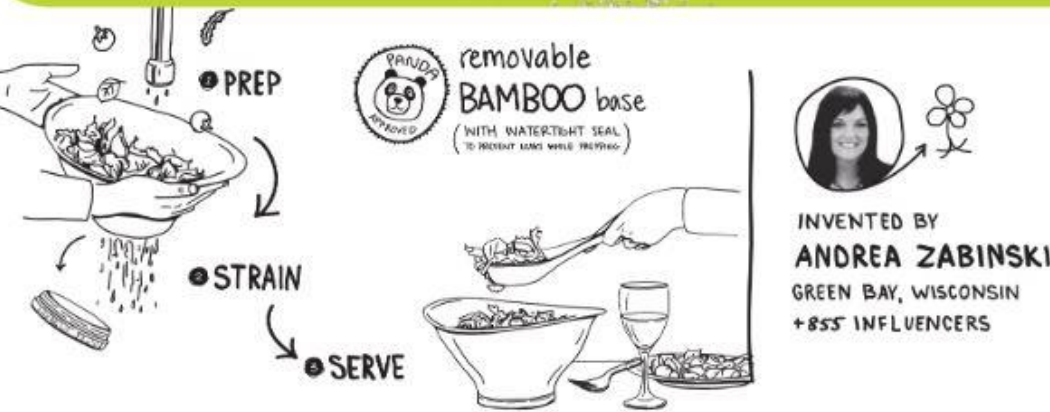

Diameter, handle to handle: 12.3" (312mm)

Diameter of bowl: 9.7" (246mm)

Diameter of base: 5.6" (142mm)

Height: 6.6" (167mm)

Materials: melamine, bamboo, silicone
