NEW SS2021 COLLECTION

NEW! MINI ACRYLIC BOX NEON & CONCRETE BASE NEON

The latest in our range of handmade glass neon signs are the perfect partner to decorate your home in style. Add that statement lighting piece and bring that bright pop of colour to your home. Our unique neon's are safe 12V DC low voltage and fully tested. They do not get hot and have a low power consumption at only 12 – 24W depending on design.
