## Welcome to The Puppet Company Catalogue

We are delighted to introduce you to our NEW collections of fine quality puppets that will enhance our already extensive range. Our puppets and puppet theatres simply demand to be played with, encouraging creativity, performance but most of all fun! This catalogue contains hundreds of puppets that are suitable for children, adults, teachers and professional puppeteers alike. We also have two collections that are certificated from birth so are suitable for babies. This year we have added to some of our existing ranges to make them even better!

# New Story Tellers

New for this year are a set of character puppets from classic stories. Designed to fit both a child's and adult's hand these puppets allow you to retell your favourite tales, stories and nursery rhymes from inside a puppet theatre or behind the sofa!

**Average Height - 38cm**

**Top Tip!**  
These puppets look very good on a counter top stand dedicated to the range. Teachers and parents think they are wonderful as they promote creative play and story telling.

# New Golf Club Covers

Not strictly a puppet as they are designed to go on a golf club, but they do function as a puppet! We have been asked many times to make them so here are our first four 'heads' as requested!

**Average Height - 30cm**

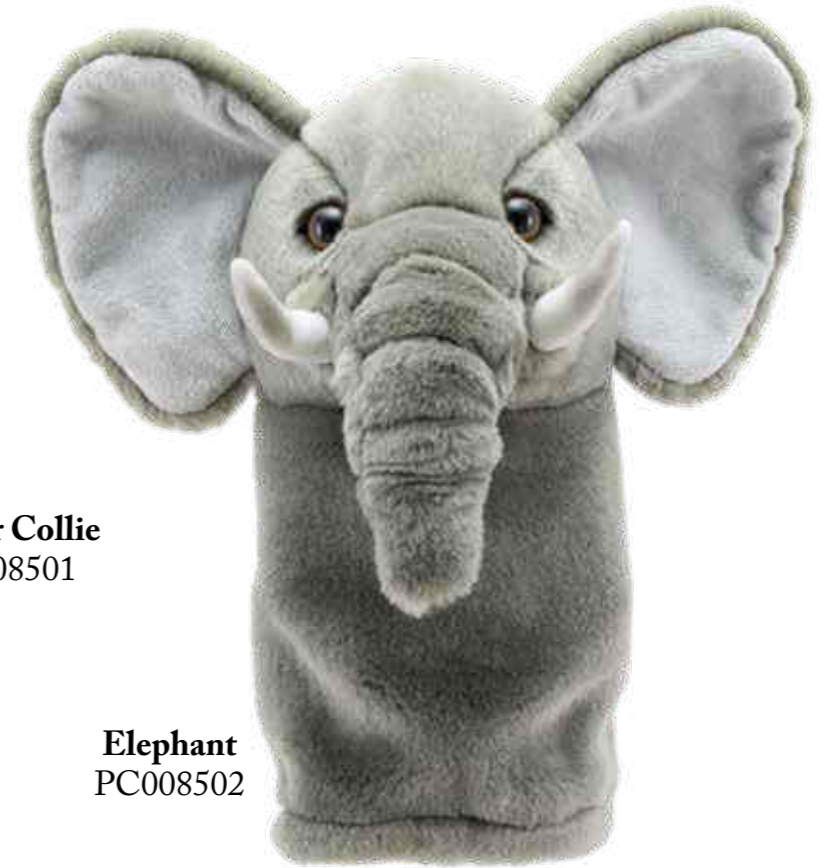

**Top Tip!** These Golf Club covers make an excellent present for the keen golfer who has everything. They fit on to any of our stands but work best on a dedicated counter top stand placed in the gift section. Each cover is clearly labelled as 'Golf Club Covers'.

## Baby Dinos

Without a doubt our best Dinosaur puppets yet! This prehistoric puppet collection now includes a baby T-Rex in Green, Red or Blue, a Triceratops in Red or Brown and a Stegosaurus in Blue. Suitable from 12 months these adorable baby dinosaurs are made from soft, colourful fabrics and allow great manipulation. Suitable for the hands of both children and adults. **Average length - 35cm.**

**Top Tip!**  
These puppets are freestanding and look good sitting on a low shelf or countertop. They also fit our 8-Arm Counter Display Stand. See it on page 92.

## New Puppet Buddies™ Animals

Animal 'Puppet Buddies' are a new glove puppet collection, made in soft polyester fabrics which is different to our normal plush materials but still gives a beautiful soft touch and finish. There are over 30 different puppets to collect, representing all our favourite Farm, Pet, Woodland and Wildlife animals.  
**Average height - 27cm.**

**Top Tip!**  
Mix in well with any of our glove puppets but work best when on a dedicated stand under one price point because these really are amazing value!

## Full-Bodied Animal Puppets

This range of puppets combines the look and feel of a fine soft toy with the interactivity of a great puppet. There are 25 different animals in the collection ranging from African animals to farmyard favourites and pets, including a really delightful Yorkshire Terrier! This year sees a beautiful Sloth, White Rabbit and Unicorn being added to the mix. Well priced and easily displayed on our point of sale stands, this is a really superb collection!

**Average length - 30cm.**

**Top Tip!**  
Although they can look good sitting on a shelf we recommend placing these puppets on one of our 20 Arm or 30 Arm Floor Stands to maximise sales.

# Large Creatures

With their striking appearances and large size these exciting puppets are immensely popular. 'Large Creatures' are easy to manipulate, have excellent mouth movement and are made from big and bold printed fabrics - they are truly breath-taking!  
**Up to 110cm long.**

**Top Tip!**  
These huge creatures look amazing in shop window displays and sell very well, particularly the amazing Shark!

# Dressed Animal Puppets

Beautiful puppets that are perfect for story telling and puppet shows. Eight wonderful designs that allow children of all ages to tell stories. Each animal is beautifully designed and the nostalgic costumes mean this range is going to be the "collectable" of the future!  
Average height - 46cm.

**Top Tip!**  
Perfect for the  
20-Arm floor display  
stand, they also look  
good on the 8-Arm  
Display  
Stand.

# Playful Puppies

The 'Playful Puppies' feature four large, realistic and delightful puppy dogs. Access to the mouth is between the front paws so you can open their mouths and turn their heads without your hand showing. They are big, lifelike and very easy to use!

**Average length - 50cm.**

**Top Tip!**  
If you operate the 'puppies' mouth with your right hand and 'cuddle' it with your left (similar to the image above) you can use your fingers on your left hand to wag the tail. Roll your right hand to get him to lick his paws or roll your hand and arm over so he can have his tummy tickled - magical!

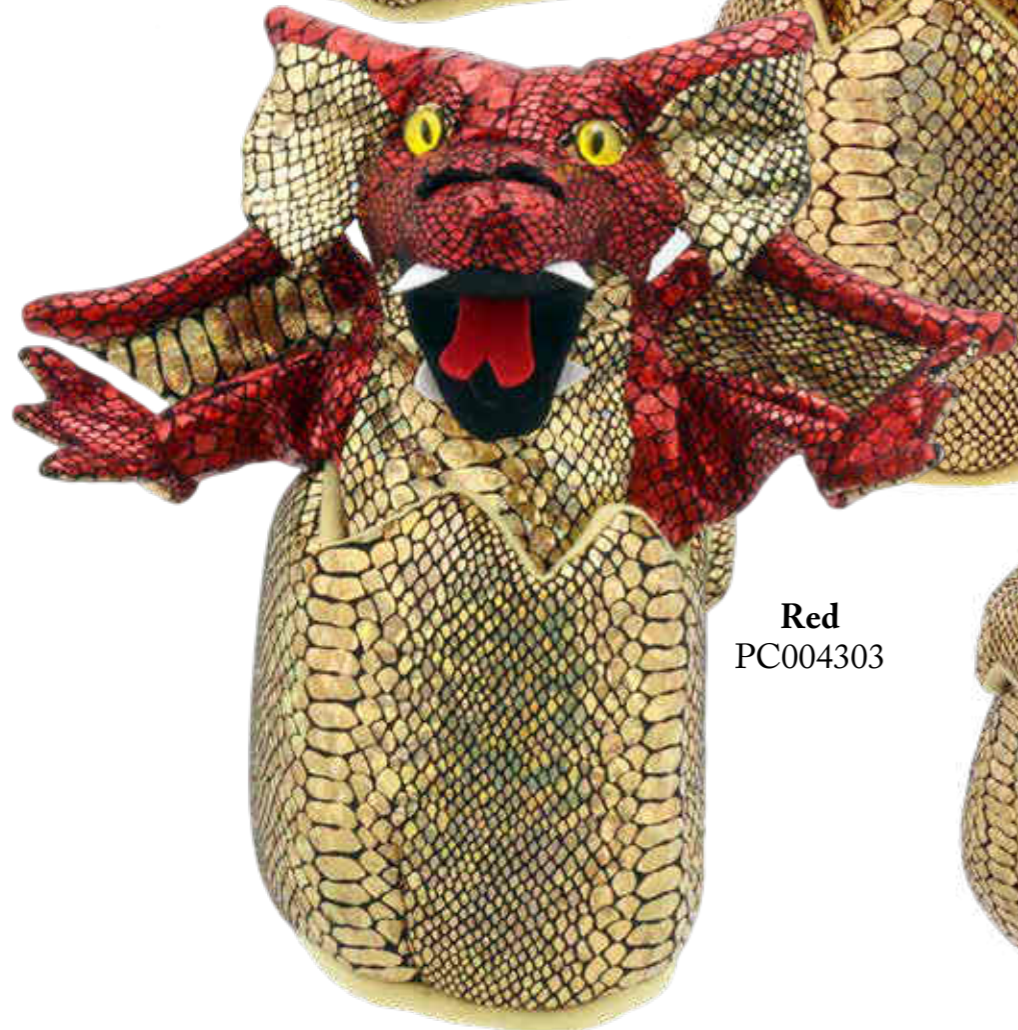

# Baby Dragons in Eggs

**Green**  
PC004302

**Red**  
PC004303

# Baby Dragons in Eggs

With their shiny scales, piercing amber eyes and pointed ears, the hatching dragons are incredibly realistic. Fantastic props for storytelling or simply letting the imagination run wild. **Average height - 25cm.**

**Top Tip!**  
Our Baby Dragons look their best sat on a shelf, out of their bags and with a little bit of packing in them to make sure they just poke out of their eggs.

# Cuddly Tumms

Designed as the perfect day or night-time companion, these are our cuddliest puppets yet! With 6 different characters to choose from, we know that their wonderful cuddly tummies will be hard to resist!

**Average height - 30cm.**

**Top Tip!**  
This is another versatile collection that sits well on our 8-Arm Counter Display Stand and on the 32-Arm Floor Stand.

# Snappers

These exotic, bird-like creatures come in a wonderful assortment of colours and designs. Each one has fantastic mouth movement with a large opening beak. The designs are based on the world's most exotic birds with a little bit of inspiration from Venetian masks thrown in for good measure! They fit both an adult and child's hand size and are easy to use and manipulate. Each one is fitted with an air-filled squeaker to give them a loud voice!

**Average height - 48cm.**

**Top Tip!**  
This collection looks great when mixed in with our Large and Basic Birds on a 20 or 32-Arm Floor Stand, and they work equally well on the 8-Arm Counter Stand if you want to show just your favourites.

# Baby Monsters

Available in eight designs and colours to suit all tastes, Baby Monsters certainly put a smile on your face! Each character is full of personality and fun, just itching to be played with. Some are bright day glow colours whilst others are made in a more muted colour palette. Every 'Baby Monster' is as large as a melon with a huge mouth so they can talk, shout and sing (with a bit of help from you). If you don't want to give them voices the new air filled squeaker in each one gives you lots of different sounds – great fun and so easy to use!  
**Average height - 35cm.**

**Top Tip!**  
Our Baby Monsters have been designed to look really good when their legs are dangling over the edge of the counter or shelf!

# Dragons

**Green**  
PC001202

**Red**  
PC001203

# Dragons

The Puppet Company has been making different exotic dragon puppets for years! These medium sized dragons are made from fantastic shiny-scaled fabrics and cover the whole length of your arm and with mouth access under the chin!

**Average length - 73cm.**

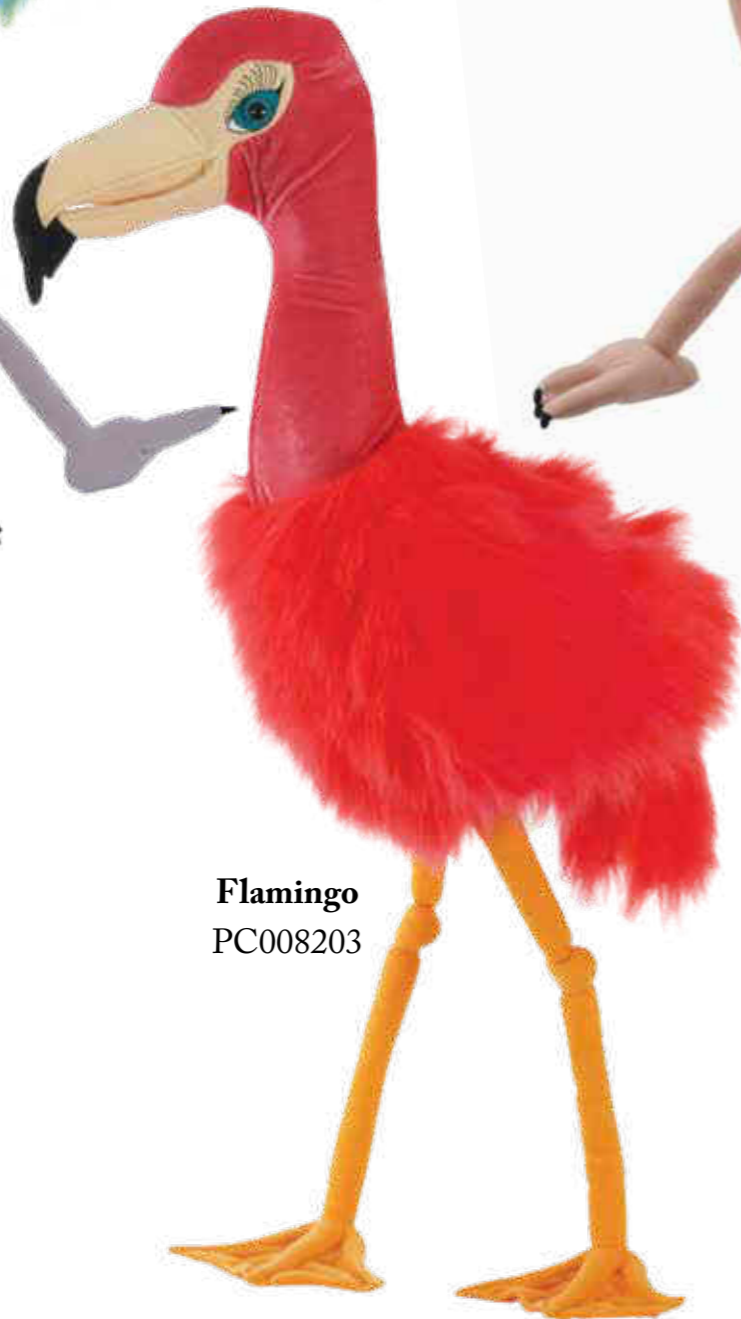

**Top Tip!**  
These fabulous dragons free stand on a shelf and when displayed under a light will show-off their fabulous colours and sparkle!

# Giant Birds

**Emu**  
PC008202

**Flamingo**  
PC008203

**Ostrich**  
PC008204

# Giant Birds

This collection of extra-large puppets is amongst the best and largest we have ever made. Each has full mouth movement and a noisy air filled squeaker in the beak for added play value. They are available in a selection of fabulous colours using specially designed and woven materials. Surprisingly easy to use and manipulate, these puppets are fantastic!

**Average Height - 110cm.**

**Top Tip!**  
These puppets are so big they can sometimes be a bit difficult to display but they each have a loop on the top of their heads so they can be hung and we have specially designed the 5-Arm Floor Stand to show this range off to its best! With a small footprint and an arm for each puppet in the range, you can't beat it. It is also suitable for large and medium Primates!

PC004012

**Squirrel - Red**  
PC004011

# European Wildlife

Our European Wildlife range contains full bodied hand puppets of the finest quality. They will sit by themselves on a shelf or table resembling a soft toy, but pick one up and you will find that you have a superb glove puppet with full hand movement. They are suitable for use by both children and adults.

**Average height - 25cm.**

**Top Tip!**  
All of the European Wildlife range can free stand in a group or sit nicely on the top crown of the 32-Arm Floor Stand. If you stock our finger puppets you can create a little family group, for example, the Badger with two finger puppet 'baby' Badgers.

# Monsters

**Pink**  
PC007704

**Blue**  
PC007708

**Orange**  
PC007703

# Monsters

Big, bright and vibrant colours combined with a loud 'air filled squeaker' for the voice makes these colourful Monsters a joy to use.

**Average height - from 50cm to 60cm.**

**Top Tip!**  
If some packing is added to the body, these can sit nicely on a shelf or counter, or they look good on the bottom crown of the 32-Arm Floor Stand.

# New Medium Primates

Back by popular demand! We have re-introduced our delightful **medium** size Chimp and Orangutan. These wonderfully interactive puppets have excellent mouth movement and are very expressive. They have Velcro on their hands so they can hang round your neck and they both come with their own peelable banana! **Average height - 60cm.**

**Chimp**  
PC004104

**Orangutan**  
PC004105

**Top Tip!**  
Big puppets that are easy to display in the window or around the shop. Very positive mouth movement and they sit well on the bottom tier of any of our larger floor stands.

# Favourite Song Mitts

Our mitts are perfect for using with young children and provide hours of Early Years counting fun. The designs feature many of the most popular counting songs and each mitt comes complete with a backing card giving you the words of the rhyme. **Average height - 23cm.**

**Top Tip!**  
These are great fun both for a class of children as well as on a one to one basis. Counting down by folding the fingers in at the appropriate part of the song works really well.

# Puppet Company Floor Standing Theatre

This strong and super easy to assemble theatre is yet another wonderful performance space for our puppets! Once assembled the theatre is in the traditional red and yellow stripes, however if you turn it around it becomes a blue and white theatre with a red frame which looks wonderful as well!  
**Height - 150cm.**

Reversible!

**Puppet Company Floor Standing Theatre**  
PC009003

**Top Tip!**  
Makes the perfect window display to showcase our puppet collections. The window prop you can sell!

# Basic Birds

'Basic Birds.' have the same sized body as our 'Large Birds' but with shorter tails. Each one's beak has a large air-filled squeaker to help give them a voice. This range comes in 5 bold colours, by limiting the colours to one per style we have been able to produce these delightful large bird puppets at a reduced cost when compared to 'Large birds', giving you a choice of price points. As with our 'Large Birds', these fit nicely on all our floor stands and also on the POS 'Parrot Perch'. **Average height - 50cm.**

We have continued to develop our CarPets collection this year and have altered both designs and materials of selected styles to improve the range. These puppets are designed for younger children with smaller hands. They get their name because they are the puppet 'pet' that loves to live in your car to make those long journeys pass a little quicker. This year sees the addition of two Unicorns and a Sloth.

**Average height - 25cm.**

**Top Tip!**  
Display well on any of our floor stands or counter tops designed for glove puppets. They also mix in well with Long Sleeved and Animal Puppet Buddies giving you not only different price points but also different animals to improve your offer.

# Large Birds

The Large Birds are always amongst our best sellers and with fourteen different designs to choose from, there really is one for everybody! With their beautiful long pile, bright bold colours, attention to detail and a very noisy squawk thanks to their loud 'air filled squeaker' these puppets are a must-have.

Average height - 45cm excluding tail.

**Top Tip!**  
To demonstrate, simply put your hand in the puppet and hold a finger up in front of its beak with your other hand, move your finger side to side and up and down and get the puppet to follow it with its head. The effect is wonderful and brings the puppet to life!

# My First Puppets

# My First Puppets

My First Puppets is a collection of delightful glove puppets suitable from birth upwards and designed to fit an adult hand. Made from high quality fabrics with embroidered faces, this is the perfect starter puppet – hence the name! Two new puppets to this range for 2019 are a Unicorn and Golden Labrador.

**Average height - 21cm.**

**Top Tip!**  
Each My First Puppet comes on a backing card for easy display.

# My Second Puppets

Following on from the success of the My First Puppet collection is this range of bright and funky coloured glove puppets. Each one is certificated from birth and is large enough to fit an adult hand. These delightful puppets are both fun and engaging, making them perfect for babies, toddlers and young children alike. **Average height - 21cm.**

**Top Tip!**  
These are also carded and slightly bigger than My First Puppets, so display well on a slat wall or a basket/box on a counter.

# Puppet Buddies™ People

Designed for both the education and retail sectors, each puppet has full mouth movement and an embroidered face giving a distinctive personality. We have made two sizes of puppet buddies, ensuring it is easy to put together sibling groups.

**Average medium height - 60cm.**

**Average small height - 40cm.**

**Top Tip!**  
These look their best on either our 8-Arm Counter Stand, or the lower crown of a 32-Arm Display Stand.

'Time For Story' is a three piece collection featuring the classic characters Punch, Judy and a traditional Policeman. Fabulous fabrics and attention to detail make these wonderful puppets to own  
Average Height - 45cm.

# Sockettes™

If you are looking for a bright and colourful armful of knitted puppet then look no further! These larger than life characters are full of mischief with wonderful faces and big mouths. They also have a small squeaker in their tongue to get conversation started!  
**Average height - 40cm.**

**Top Tip!**  
 Their large size and huge mouth allows them to be seen from the back of the classroom making them excellent additions to any primary teachers class. Sockettes display well on any of our floor stands and also the 8-Arm Counter Stand. See them from page 91.

## Traditional Story Book and Puppet Sets

Each beautifully boxed set contains a hard-back book and all the main finger puppet characters from that story. They make a wonderful gift and bring these classic stories to life. There are seven different stories to collect and this range is consistently amongst our best sellers throughout the year.

**Heights - from 11cm to 24cm.**

**Top Tip!**  
These can hang on a slat wall as they have a strong transparent hook, but they sit just as nicely on a shelf or counter. Beautifully presented, these make a wonderful gift.

# Long-Sleeved Glove Puppets

Since their introduction twelve years ago, this collection has been one of our most popular and important ranges. This year we welcome the arrival of a new Unicorn. The quality of materials and attention to detail makes it easy to see why this range is so successful. Designed to be suitable for both adults and children, this fantastic collection has over 40 different animals to collect.

**Average height - 40cm.**

**Top Tip!**  
Mix a few baby birds into your Long Sleeved display for added colour, they also mix really well with our Full-Bodied Animal puppets for lots of variety.

**Top Tip!**  
The Velcro on the hands of these enormous primates isn't just handy when you want them to give you a cuddle, why not use it to allow them to hang from shelves or even the ceiling in your shop? They're guaranteed to bring a smile to customer's faces when they spot them 'hanging around' the place!

## Finger Puppets

With over 150 different finger puppets to choose from there should be something for everyone! We have finger puppets to go with story books, nursery rhythms, songs and plays – we believe we have the best finger puppets available anywhere!

**Average size - 15cm unless stated otherwise.**

**Top Tip!**  
These are a great impulse buy! Display them on our 56-Arm rotating finger puppet stand or the hugely popular 12-Arm Counter Stand which are perfect when positioned near the till.

# New Display Stands

The new metal Mesh Stand to hold My First, My Second puppets, Traditional Story Sets etc. is now available. Finished in our normal company blue, it displays lots of products in a small space. You can display on both sides so it can show the whole range of My First Puppets for example, with a footprint of less than a carpet tile.

Height - 170cm.

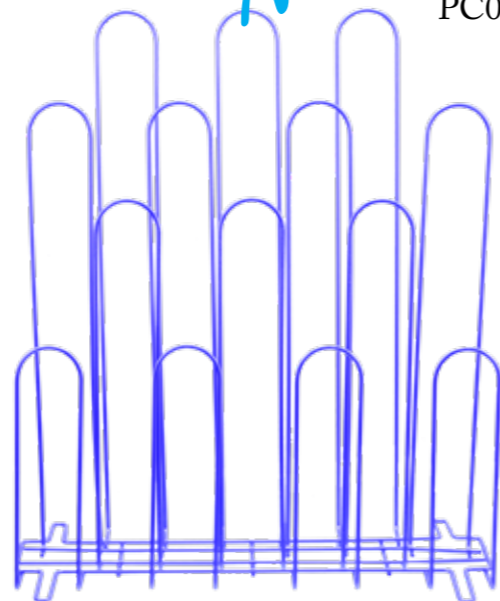

## New Mesh Stand PC005048

Also new this year and designed specially to display our extensive range of glove puppets is the 14-Arm counter top stand. Supplied with a Header Card, this stand can sit on any shelf or counter top. You can put two next to each other and double your offering so these are very useful tools to optimise store displays. They look superb in window displays and are really flexible allowing you to show almost all of our puppet ranges. Anyone interested in maximising sales and a good display will love them!

Height - 50cm.
