THE HOME OF COOL
LICENSED MERCH

Established in 1992, what started as a small UK business, has grown into a hugely successful, multinational organisation.

Pyramid International are headquartered in Whetstone, Leicestershire right in the heart of England, with further offices across the globe in the USA, China (including a new showroom in Hong Kong), Australia, Germany, France and The Netherlands.

At the core of our success is our extensive library of licenses and our wide array of products. At any one time, we are working with over 250 of the most popular global licenses. These include Warner Bros, Disney, Stranger Things, Harry Potter, Activision, Marvel, Star Wars, PlayStation, Nintendo, Universal Pictures and an extensive catalogue of music artists to list just a few. We also boast one of the most diverse product portfolios available, which spans Posters, Wall Art, Drinkware, Gifting, Stationery, Accessories, T-shirts and more, some of which are produced at our UK premises.

This catalogue serves as a snapshot of our range. For our complete and up to date product offering, please visit us at: www.pyramidinternational.com You can also follow us on these social media channels:

TREND 2021

2020 was a challenging year for the entertainment industry. With traditional mediums such as Film and TV being struck by the pandemic, we have looked at other areas of entertainment to pull together a catalogue of the products and licences that were popular throughout 2020 and that we feel will continue to go from strength to strength in 2021.

This catalogue brings you the unique, dark, 70s-inspired delights of *Steven Rhodes*. We explore the continued interest in Japanese retro aesthetics with new licenses *Illustrata* and *Vincent Trinidad*, who give us unique, far eastern inspired art pieces. Our Anime collection includes the classics *Dragon Ball Z*, *Death Note* and *Bleach* alongside modern hits *My Hero Academia*, *Cannon Busters* and *One Punch Man*. *Cobra Kai* updates the classic 80s Karate Kid and we go all cute and cuddly with *Pusheen* and the adorable *Fuzzballs*. We finish with our awesome collection of Face Coverings, featuring loads of really popular brands!

We think these licenses will continue to grow in popularity and trend throughout the coming year, providing you with excellent opportunities to succeed in 2021!

Welcome to our Trend 2021 brochure!
