- ✓ No Dead Wasps

WASPINATOR IS THE BEST SELLING AND AWARD WINNING VISUAL WASP DETERRENT

'We are a small independent garden centre and were slightly sceptical at first but we sell over 700 Waspinator a year, it is our best seller for outdoor living'

– Family Run Garden Centre

'Waspinator is a very effective wasp deterrent - the Waspinator received a universal thumbs up from you all'

– Daily Telegraph
Gardening Advice

'I am genuinely excited, we should have 400 of them all around Television House'

– Philip Schofield,
This Morning TV

Waspinator keeps wasps out of the garden by making them think it is enemy territory and that they will be attacked if they venture too close to it, it is like a scarecrow for wasps

- No Maintenance or Cleaning
- No Chemicals
- No Dead Wasps
- Highly Effective and Proven Performance
- Easy to Use and Very Portable
- Best selling impulse buy and companion purchase to garden furniture and barbecues
