PRODUCT GUIDE

whitefurze

Whitefurze Ltd. is one of the U.K.'s leading manufacturers of plastic consumer products.

Based in Coventry, we are a **privately owned** company formed in 1978 by Owner and Managing Director Philip Lanni.

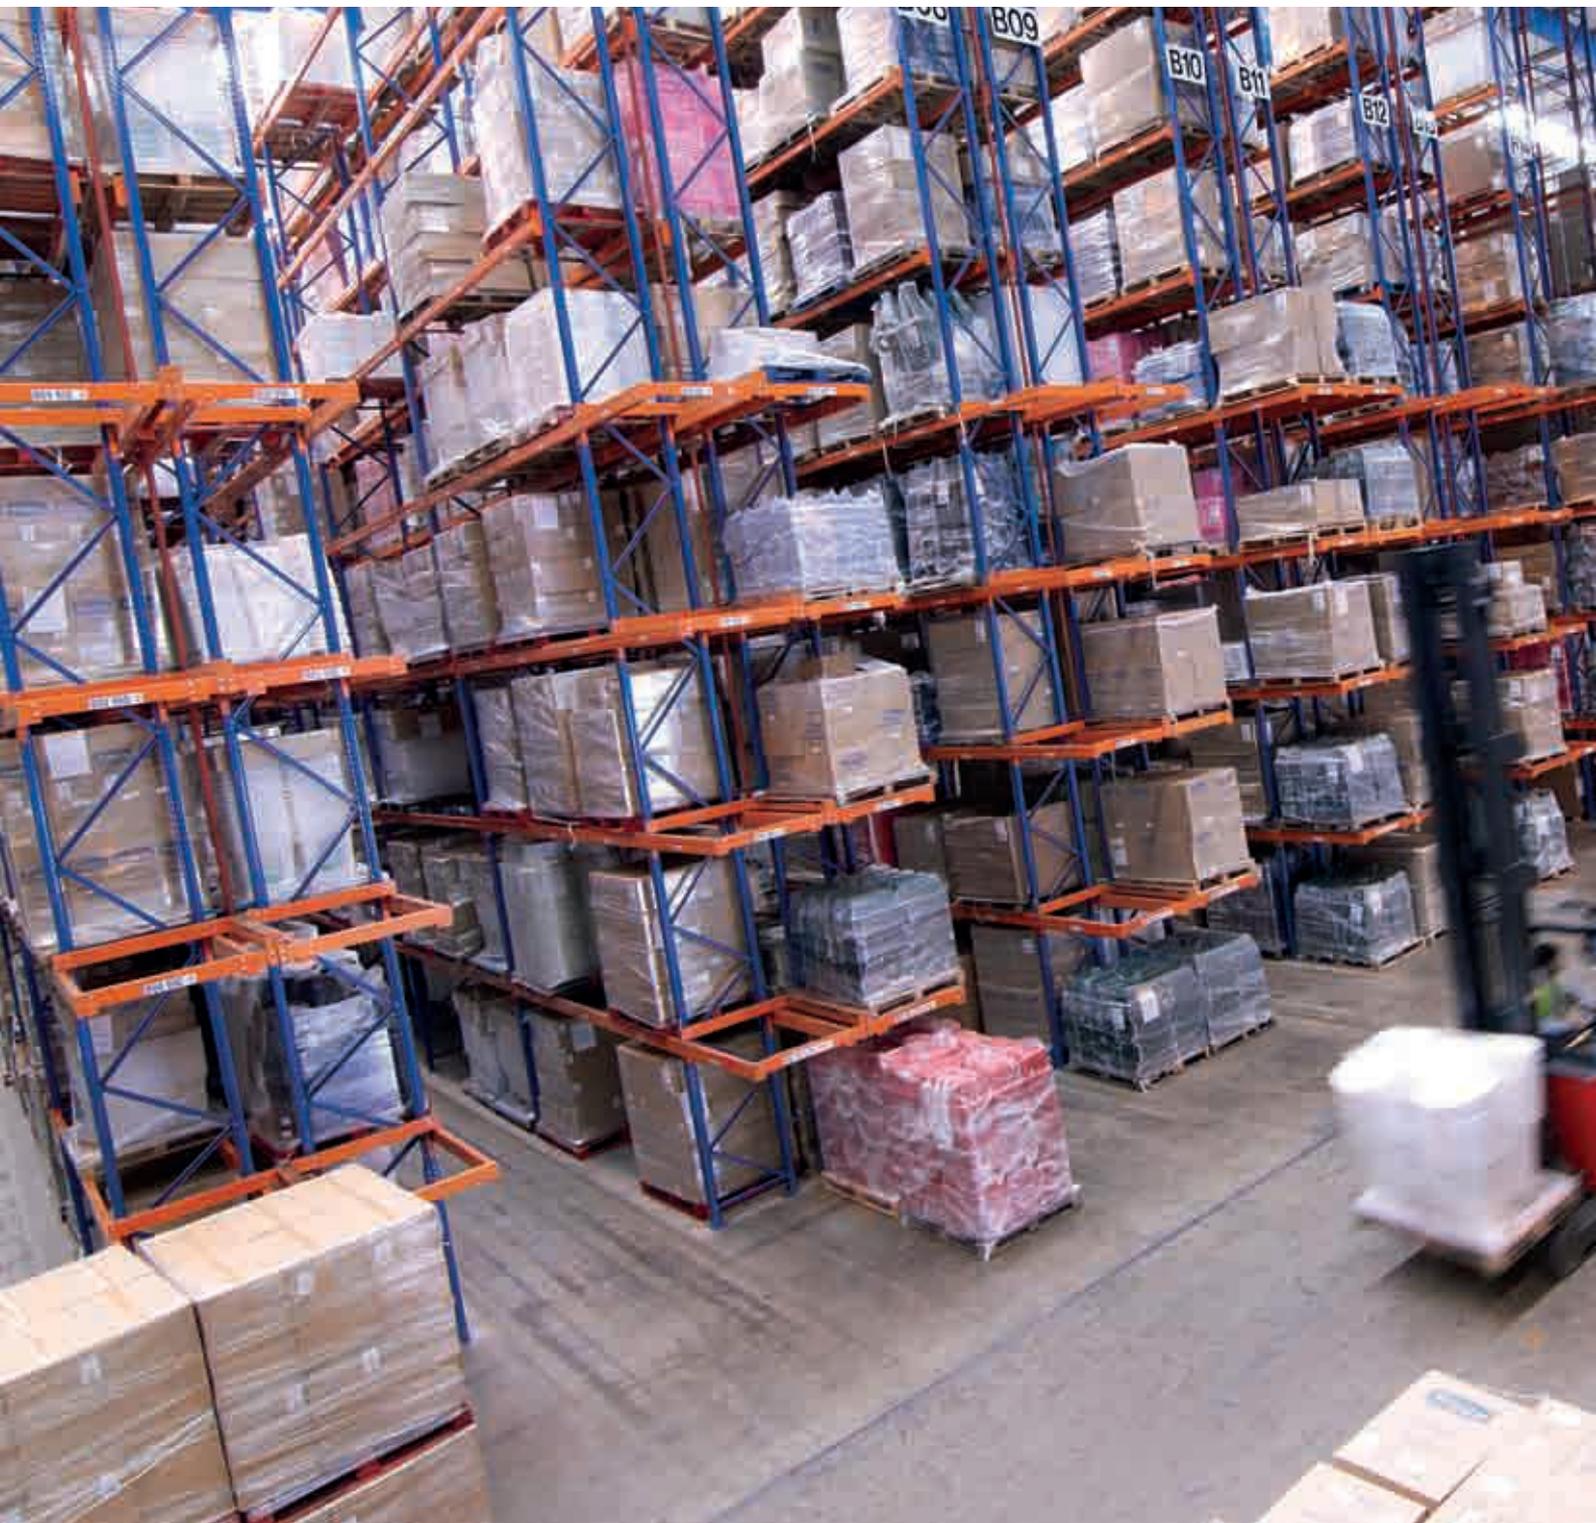

Our aim at Whitefurze is to continue to...

- Re-invest in design, technology, moulds, machinery & people from our UK manufacturing base
- Develop relationships between customers, suppliers and employees
- Supply quality products at competitive prices throughout all sectors
- Provide the highest level of service at all times.

Whitefurze Showroom

We welcome you to visit our **extensive showroom** in Coventry, exhibiting a wide range of Garden, Food Storage, General Storage and Housewares products.

The ideal way to view our ranges and quality.

Through a programme of ongoing investment and product development we have continued to manufacture **excellent quality** products at competitive prices from our UK base.

The Whitefurze product range extends across a variety of categories including the Garden, Storage, Food Storage and Housewares sectors.

Products across all categories are manufactured at our facility in Nuneaton using **state-of-the-art** injection moulding machines and robotic handling equipment.

Two warehouses spanning 160,000sqft at our headquarters in Coventry ensure good stockholding at all times and industry leading levels of order fulfilment.

At Whitefurze we are **proud of our heritage** as well as the products and services we deliver. We offer regular sales visits from our nationwide sales team who cover the U.K. and Ireland.

We can process your order via telephone, fax, email and online. Our own fleet of vehicles make weekly deliveries up and down the U.K.

We believe it is our commitment to innovation, quality and service which makes Whitefurze an ideal partner for all your garden and home plastic requirements.

Manufacturing

The Whitefurze product range is 100% made in the UK. Our state-of-the-art manufacturing facility in Nuneaton houses 39 injection moulding machines and ensures the highest levels of product quality.

We are proud of both our UK heritage and our quality, durable products.

FOOD STORAGE & PREPARATION

Be ready and equipped for any occasion with our extensive food storage and preparation range, whether it's preparing meals for a growing family or enjoying a picnic in the sunshine.

All of our food storage and preparation products are manufactured in accordance with relevant UK and European legislation.

Our quality products are well-designed, easy to use and available in a range of handy shapes and sizes, for use with dry, fresh or cooked foods. All our storers have airtight, sealable lids.

Food Preparation

To help you perform culinary magic in the kitchen, we have a range of well-made products, including bowls, jugs, funnels, colanders, plate covers and even an easy to clean ice cube tray.

Spacemaster

Finding clever ways to store your seasonal and more bulky items can free up space and reduce household clutter.

There is a range of handy sizes for every application, whether you are storing winter jumpers under the bed or relocating unused blankets to the loft, so you can keep your valuable items securely out of the way, but handily close by.

The boxes are transparent, so you will be able to see what is inside from the side, tops or ends, without having to drag everything out.

A great way to end hallway clutter once and for all is our Spacemaster shoe and boot boxes. These make perfect sense for busy families with too many shoes.
