CHRISTMAS COLOUR

A framed sign with a black border is mounted on a light-colored wooden plank wall. The sign contains the text 'LITTLE WEAVER ARTS' in a serif font, with a small bird illustration integrated into the letter 'A'. Below the text is the website 'www.littleweaverarts.com' and the tagline 'NATURE, PURE & SIMPLE™'. To the left and right of the sign, two patterned scarves are hanging from brass hooks. The scarves have a cream base with dark, intricate patterns, including a tiger's face on the left and an elephant on the right.
