JENNY WORRALL DESIGNS
ENGLAND

Our iconic Jenny Worrall brand boasts a range of truly exquisite table lamp designs. Created using the traditional technique of potichomania, delicate decals are applied by hand within the base of the lamp. Each lamp design is then carefully built up with fifteen to twenty layers of hand sponged lustre and colour to create the finished effect.

Keep an eye out for our Royal Horticultural Society collaboration designs, featuring elegant flora and fauna designs. You'll see an RHS logo identifying these lamps throughout the collection.
