PETASIL®

Petasil is a vibrant kids footwear brand.
Established in 1988 in the heart of Portugal's
historic shoe industry in St João da Madeira,
Petasil create stylish, fashionable footwear
whilst ensuring kids foot care is at the forefront.

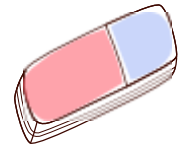

This burgeoning fashion forward brand has even attracted more than
its fair share of celebrity yummy mummy followers, hardly surprising
when the quality of the brand is considered. All Petasil footwear
is crafted from the finest quality leather and the soles are
produced to be as soft and flexible as possible.

Eco Friendly Collection*

- recycled textile from old clothes.
- recycled textile from plastic bottles.
- recycled soles
- cork comfort insoles

*also suitable for Vegans

Petasil strive to deliver quality footwear for kids, made in the heart of Portugal's shoe manufacturing region, Petasil always use materials that are economical to source meaning as local as possible therefore reducing unnecessary transport cost etc. leathers from local tanneries, soles from local supplies, boxes and cartons made from recycled sources, this alone however is not exactly ECO, just sensible!

This season sees Petasil step in a new direction, with an awareness of our changing climate and environment issues, Petasil have created a collection that is even more ECO friendly with fashion forward styles with a utility street look and feel! This ECO collection include sustainable features including soles made with 30% recycled soles, upper materials made using a combination of recycled cottons and recycled PET bottles, a cork foot sock cork regrows on the trees is fully sustainable, comfortable, microbial and from Portugal too! This collection is also Vegan Friendly.
