AHOY!

PILLOW FIGHT
WARRIORS

LET THE
SOFT PLAY
BATTLE
COMMENCE!

At K-Play, we have over 25 years of experience in working with the toy & gift trade. From small market stalls through to multi-national stores, whether they be bricks & mortar, mail order or online, distributors, wholesalers or importers.

As a manufacturer, distributor, importer and exporter ourselves, we are well aware of minutiae of detail required to get product moving.

Our Pillowfight Warriors® are our own range of exciting plush products which have been featured on TV and are **recommended** by the independent Good Toy Guide. They also carry the Lion Mark for quality and safety.

We develop products for the U.S. and other markets.

As part of our commitment to the environment, our brands are members of One Percent for the Planet. One percent of all turnover (not profit!) goes to support organisations working to save the habitat of the animals
