ABOUT US

In 1975, "RENKSAN GROUP" Company took its privileged place in sector. During these 45 years, our company signed a lot of innovations. Today, "RG" holds an important position in that sector with its "BELUX", "FINIX", "ACORD" and "FLOPPY" trademarks.

In the changing world, "RG" implements newly developed technologies and manufactures its products in closed area factories over 160.000 m², under modern conditions. "RG" attaches importance to consumer focused works in public relations, research and development, production and marketing and thus, Our company found its rightful place in domestic and foreign markets.

Furthermore, "RG" supplies semi-finished products as well as finished products to the other companies in the sector, thus reaching a prestigious place in the international arena and exporting to more than 83 countries worldwide.

We are proud of supplying good quality products to millions of consumers, within the most economical conditions, as "RENKSAN GROUP".
