

**UNIVERSAL
GARMENTS**
INTERNATIONAL LIMITED

About Us

Universal Garments have been a family run UK company since 1972, and we now specialise in the supply of textile apparel, catering to major high street retailers and wholesale distributors all over the world.

Over 48 years of experience in the manufacturing, design and production of socks, underwear and accessories has allowed Universal Garments to reach an exceptional level of quality and to maintain good relations with customers.

Universal Garments has built up multiple partnerships with certified companies, which operate in Portugal, China, India, Pakistan, Uzbekistan and Turkey. These form our manufacturing facilities, and outsourcing has greatly benefited the quality and competitiveness of our products in the global market.

With Advanced Thermal Technology

The ULTIMATE Thermal Accessories

Men's Heat Machine Thermal Socks

THICKNESS RATING
HEAVY

Heat Machine Thermal Insulated Socks are engineered for your feet. Using high density yarns with extra thick construction creates a thermal barrier to keep warm air close to your skin, ensuring your feet stay warmer for longer. Therefore, making them the *ULTIMATE* thermal insulated socks!

Ladies Heat Machine Thermal Slipper Socks

The specially constructed Easy Grip top ensures our socks offer you day long comfort and fit for your ankles

The unique construction offers a Thermal insulation layer that not only adds warmth but also adds comfort and support to your feet

Our high density yarns used along with the extra thick construction create a super soft brushed thermal barrier to keep warm air close to your skin
