

Goodness of Nature

2020
PRODUCT CATALOG

*Our founder, Hamdi Dalan's
historic soap factory in
Kemeralti Bazaar, Izmir*

Artisan to Global Market

Dalan which is the first brand to come to mind when one thinks of olive oil soap, was founded in 1941 by Hamdi Dalan. The brand, first began production in Izmir's Agora, Namazgâh district, produces 50.000 tones of soap, cosmetics and glycerin per year using the latest technology at a 70.000m² facility in Izmir's Pınarbaşı district under the leadership of the chairman Akın Dalan.

Exporting half of its products to more than 100 countries in 5 continents, Dalan is one of the prominent soap and cosmetics producers in Turkey. Aside from Dalan, it is also recognized with the sub-brands such as Diana, Nancy, Cindy and Roxy.

Among the Dalan products, there are personal care products such as liquid and bar soaps, shampoos and conditioners, shower gels, body oils and lotions, hand and body creams and shaving creams and industrial products such as technique and pharmaceutical glycerin.

Being one of the environment friendly companies, Dalan has ISO-9001:2008 Quality Management System Certificate, ISO 22716 Good Manufacturing Practice and World Halal Union Chemical Products and Cosmetics Halal certification. Producing consumer-friendly products Dalan, also analyzes and checks the raw materials used in the production and the final products in an internationally acclaimed high quality standards. In order to leave a livable environment to the next generations, Dalan practices a highly sensitive environment management system.

In its 79th year, Dalan still continues to grow with the strength, trust and experience from its past.

Personal Care Series

Naturally for you

PURE OLIVE OIL

Why Dalan d'Olive?

The products we carefully developed with olive oil, the miracle of the Mediterranean, are designed to protect your natural beauty.

We use ingredients selected from the mother nature according to their benefits.

As we value your personal care, our products are dermatologically tested by internationally recognized laboratories to prove that our products are safe.
