Hippychick Hipseats

The Hipseat's back supporting belt design helps you carry your child naturally and comfortably. Recommended by osteopaths, chiropractors and health care professionals, it can help prevent long term damage to your back by giving correct support to your spine. Suitable from 6 months to 3 years, the Hipseat helps distribute your child's weight around your waist to stop your back bending or twisting.

Hippychick Bibs

There's no doubt about it - babies and toddlers are messy which is why bibs are so important! Our Sleeved Bibs and Little Bibs are all made from sustainable, waterproof fabric and are machine washable making messy mealtimes a breeze to clean up. We commissioned British Artist Heather McLaughlin to illustrate a wonderful collection of animal friends, not so cuddly sea creatures and a classic English garden.
