FOLDING CRATES

## **Brand**

Aykasa exists to make home organisation easy, and aesthetic.

Designed with function, style and sustainability in mind, Aykasa hosts affordable, eco-friendly storage crates, vases and bags made from recycled, and recyclable plastic.

Available in a vast amount of colours, sizes and designs, choose the item that best suits your space and style preference.

Home organisation made easy with creative space-saving Aykasa crates!

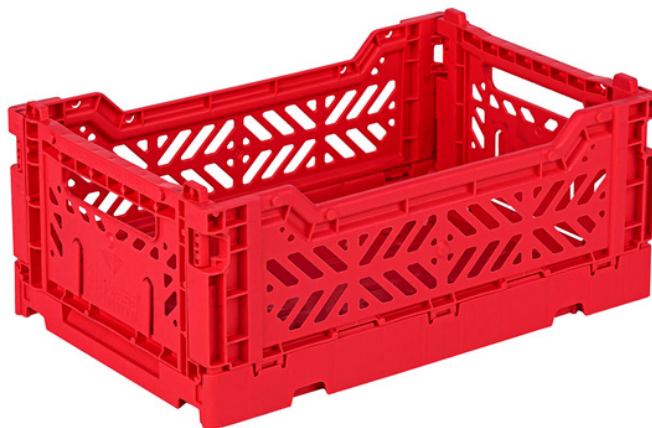

## **Aykasa Crates**

Stackable, foldable and customisable.  
A fully multifunctional product that can  
be used in any space, and for any  
purpose.

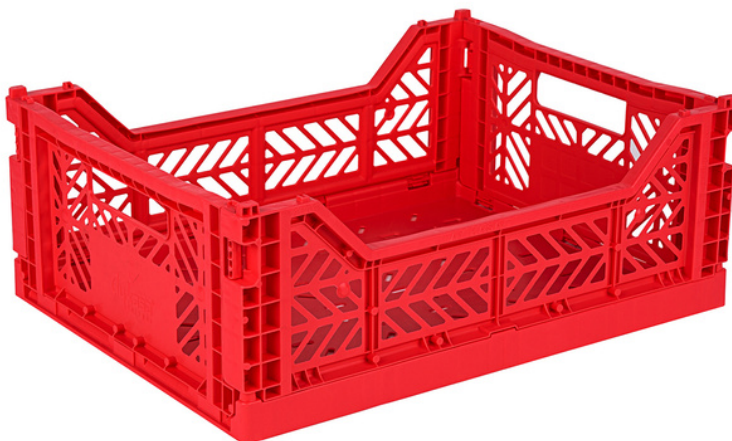

## Aykasa mini box

## Aykasa midi box

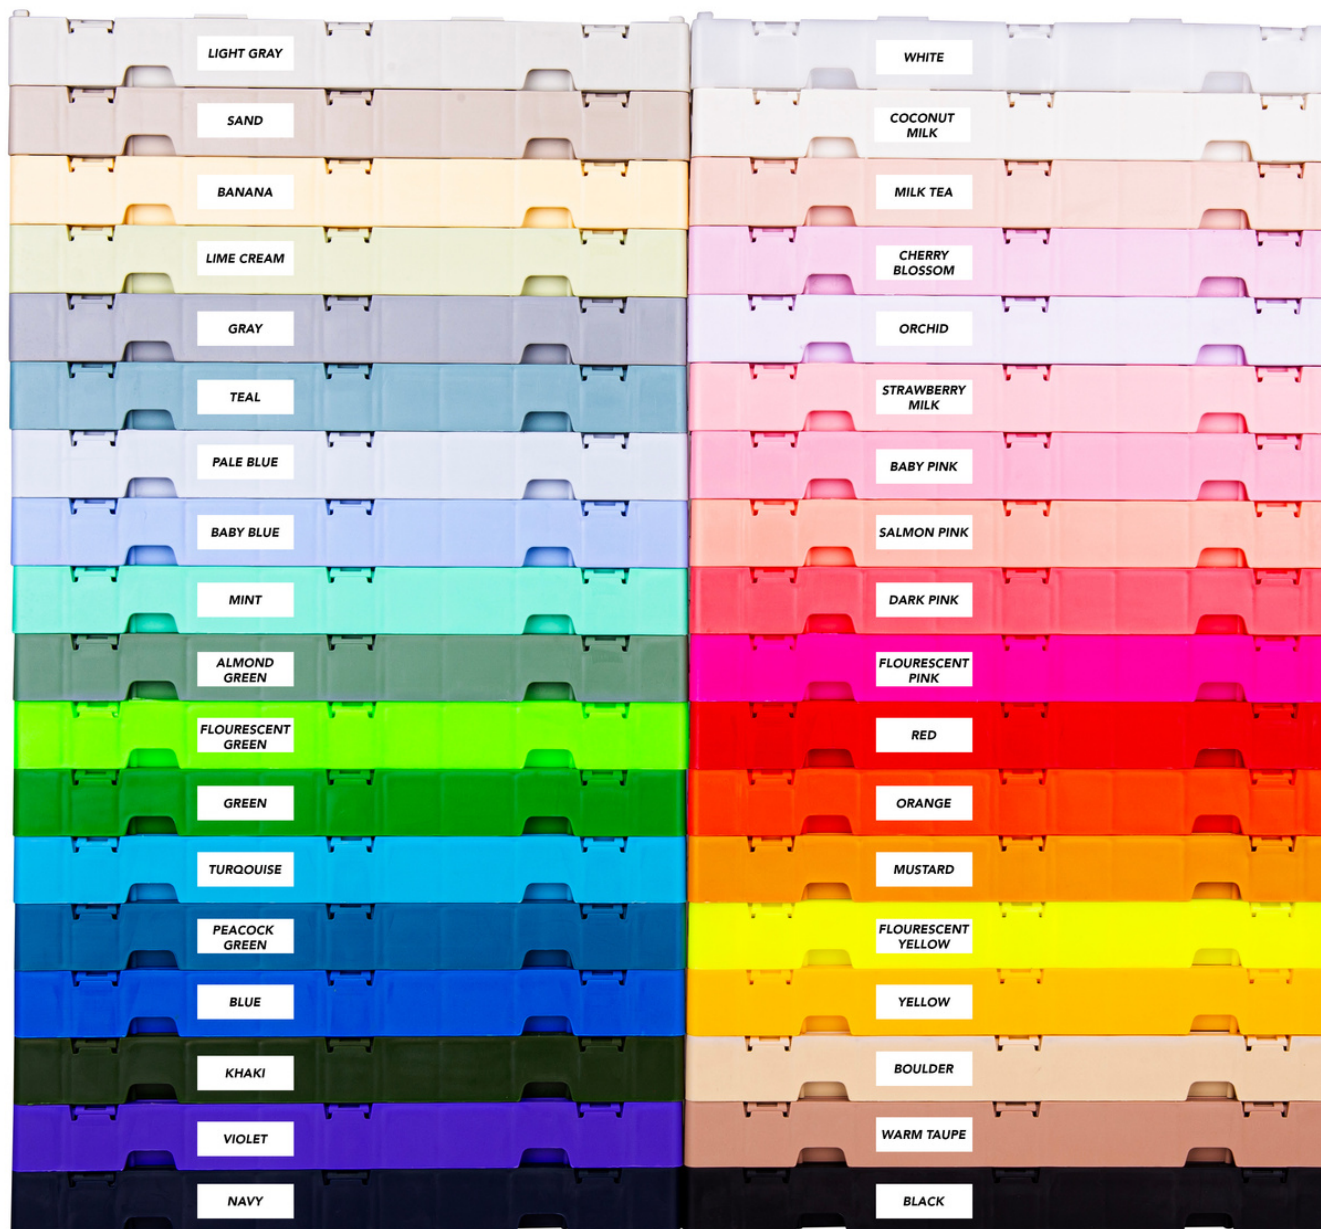

## Aykasa maxi box

# 37 colour combinations to mix and match

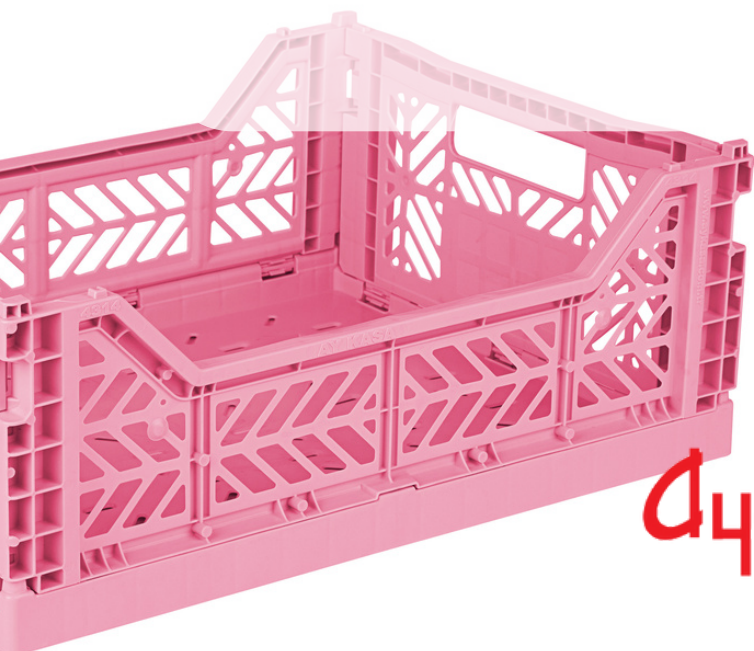

## Material

Sustainable, child-friendly, suitable for pets!

Unlike most foldable crates on the market of similar design, Aykasa boxes are made of 100% recyclable polypropylene.

Aykasa crates are also BPA-free, and comply with all FDA, BGA and food standards - making them suitable for food.

Free from any harmful substances, they're highly durable, hygienic and safe for children.
